

1. **Poll Schedule-** On Election Day, each polling place will be open from 6:30 a.m. to 7:30 p.m. Eastern Time. A voter in line by 7:30 p.m. has the right to vote and cannot be turned away.
2. **Voter ID-** To vote on a regular ballot, a voter must present some form of ID. Valid ID includes:
  - a. An unexpired Ohio driver's license or state ID card with present or former address
  - b. An unexpired military identification;
  - c. An unexpired photo ID that was issued by the U.S. government or the State of Ohio, that contains the voter's name and present address (not a U.S. passport) ; and
  - d. An original or copy of a current (within the last 12 months) utility bill, bank statement, government check, paycheck or other government document (other than a notice of voter registration) with the voter's name and present address.
3. **Accessibility-** Voting locations in Ohio must be made accessible for people with disabilities. Under the Americans with Disabilities Act, this includes providing (i) accessible parking; (ii) an accessible route to the entrance; (iii) an accessible entrance; (iv) an accessible route to the voting area; (v) voting procedures; and (vi) voting machines. Ohio law further requires that voting locations be free of barriers, have nothing blocking the entrances or exits, and that voting locations have ramps, wide doors, and accessible parking.
4. **Assistance at the polls-** If a voter cannot read, write or speak English or they are blind or otherwise physically disabled, they have the right to receive help with voting by a person of their choice except the judge of elections, the voter's employer or an agent of the employer, an officer or agent of the voter's union, or any candidate whose name appears on the ballot.
5. **If a voter has moved-** (a) Within the same precinct: Go to the polling place for new address, complete and sign a change of residence form, show ID, and cast regular ballot. (b) To a different precinct but within the same county: Go to polling place for new address or to the board of elections and vote a provisional ballot. (c) To a different county: Go to polling place for new address or to the board of Elections and vote a provisional ballot.
6. **Mistake ballot-** If a voter makes a mistake or "spoils" their ballot before casting it, they can ask for a replacement ballot up to two times.
7. **Polling place boundary-** No electioneering or trying to influence the vote within 100 feet of polling place, as demarcated by small flags placed on pathways to the polling place. If there is a line extending beyond those pathways, electioneering is not permitted within 10 feet of that line. Poll monitors need to stay outside of the polling place boundary, unless a voter requests their assistance.
8. **Provisional ballots-** A voter has the right to vote by provisional ballot if the voter's name does not appear in the pollbook for the precinct in which the voter believes they are registered, if the voter does not have any ID, or (among other reasons) the voter is marked in the pollbook as having requested an absentee ballot. **Note, a provisional ballot should be a last resort.** Confirm the voter is voting in the correct polling location for his current address. Provisional ballots will not be counted if they are cast in the wrong polling location.
