

1. **Poll Schedule.** On Election Day, each polling place will be open from 7:00 a.m. to 8:00 p.m. A voter in line by 8:00 p.m. has the right to vote.
2. **Voter ID.** A voter will be asked to provide current and valid photo identification at the polling place in order to vote a regular ballot. If they cannot provide photo identification, they will be able to sign an affidavit indicating that they do not possess a photo ID and cast a ballot. The ballot may be marked as challenged, but it will be counted as a regular ballot. Acceptable forms of ID include: (a) Michigan driver's license or personal identification card, (b) out-of-state driver's license or identification card, (c) federal or state government-issued photo identification, (d) U.S. passport, (e) military identification card with photo, (f) student identification with photo from a high school or an accredited institution of higher education, or (g) tribal identification card with photo.
3. **Accessibility.** Polling places are required to be "accessible" and should comply with the Voting Accessibility for the Elderly and Handicapped Act and the Help America Vote Act of 2002. All polling locations are wheelchair accessible and offer parking for persons with disabilities.
4. **Assistance at the Polls.** If a voter cannot read, write or speak English or they are blind or otherwise physically disabled, they have the right to receive help with voting by a person of their choice, excluding the judge of elections, the voter's employer or an agent of the employer, or an officer or agent of the voter's labor union.
5. **If a Voter Has Moved.** If a voter has moved within the same city, township, or village, they can vote at their old precinct one last time. A voter who has moved to a different city, township, or village within 60 days of the Election (after September 7th) can vote one last time at their old precinct.
6. **Mistake Ballot.** If a voter makes a mistake on their ballot, they have the option to "spoil" their ballot and obtain a new ballot from the election workers.
7. **Polling Place Boundary.** Voters have the right to wait in line to vote (and to vote) without anyone electioneering or trying to influence their vote in any other way within 100 feet of an entrance to a building in which a polling place is located. Doing so is a misdemeanor.
8. **Provisional Ballots.** A voter has the right to vote by provisional ballot if the voter's name does not appear on the rolls or voting list. **However, a provisional ballot should be a last resort.**
