1. **Poll Schedule** - On Election Day, Voter Service and Polling Centers (“VSPCs”) will be open from 7:00 a.m. to 7:00 p.m. A voter in line at the VSPC by 7:00 p.m. has the right to vote. However, any voter arriving after 7:00 p.m. will not be entitled to vote.

2. **Voter ID** - A voter must provide valid identification if they vote in person at a VSPC. If the voter DOES NOT HAVE identification and still wishes to vote in person, they may cast a provisional ballot. Acceptable forms of ID include:

   - A valid Colorado driver’s license;
   - A valid identification card issued by the State of Colorado’s Department of Revenue (except to not lawfully present and temporarily lawfully present individuals);
   - A valid U. S. passport;
   - A valid employee identification card with a photograph of the voter issued by any branch, department, agency, or entity of the U. S. government or of Colorado, or by any county, municipality, board, authority, or other political subdivision of Colorado;
   - A valid pilot’s license issued by the FAA or other authorized agency of the U. S.;
   - A valid U. S. military identification card with a photograph of the voter;
   - A copy of a current utility bill, bank statement, government check, paycheck, or other government document that shows the name and address of the voter. “Current” means dated within 60 days of the date submitted unless the document states a longer billing cycle.
   - A Certificate of Degree of Indian or Alaskan Native Blood.
   - A valid Medicare or Medicaid card issued by the Centers for Medicare and Medicaid Services (formerly the U. S. Health Care Financing Administration);

   - A certified copy of a birth certificate for the voter issued in the U. S.;
   - Certified documentation of naturalization;
   - A valid student identification card with a photograph of the eligible voter issued by an institute of higher education in Colorado;
   - A valid veteran identification card issued by the United States Department of Veterans Affairs Veterans’ Health Administration with a photograph of the voter;
   - A valid ID card issued by a federally recognized tribal government certifying tribal membership;
   - A letter from the director or administrator of a group residential facility indicating that the voter resides at the facility and at the street address listed in the voter registration database;
   - Verification that a voter is a person committed to the Colorado Department of Human Services and is eligible to register and vote; or
   - Written correspondence from the county sheriff or his or her designee to the county clerk indicating that the elector is confined in a county jail or detention facility.

3. **Accessibility** - Accessible voting machines are available at every VSPC. In addition, all VSPCs are required to be located in buildings that are accessible for voters with disabilities. In 2019, Colorado enacted SB 19-202 which requires the secretary of state to establish procedures to enable voters with disabilities to independently mark a ballot or use an electronic voting device that produces a paper record using nonvisual access or low vision access technology whether the voter is voting in a mail ballot election or voting at a polling location.

4. **Assistance at the polls** - A voter who needs assistance due to a disability, the inability to read or write, or difficulties with the English language should inform an election judge that they will be unable to vote without assistance. Once the voter asks for help, they are entitled to assistance from an election judge or a person of the voter’s choosing.

5. **If a voter has moved** - A voter who has moved can update their registration address by appearing at any VSPC in the voter’s new county of residence up to and on Election Day. The voter may then vote at the same VSPC where they updated their registration.

6. **Replacement ballot** - If a voter makes a mistake or “spoils” their ballot, they may get a replacement ballot up to three times.

7. **Polling place boundary** - Voters have the right to wait to vote (or to vote) without anyone electioneering or trying to influence their vote in any other way within 100 feet of a building that has been designated as a polling location or drop-off location.

8. **Provisional ballots** - Every voter has the right to vote by provisional ballot. **However, a provisional ballot should be a last resort.**

9. **If voter has a criminal conviction** - In 2019, Colorado amended its election laws so that an individual serving a sentence of parole is eligible to register to vote and to vote in any election. However, persons being confined or detained in a correctional facility, jail or other location (which may include DOC inmate status, living in a community corrections halfway house or on non-residential status) for a felony conviction are still prohibited from registering to vote and voting.

10. **Voting in the 2020 presidential primary election** - The Presidential primary election in Colorado will be "semi-closed" meaning that voters affiliated with a party will be eligible to vote for candidates in their party while unaffiliated voters will be eligible to vote for a candidate in any one party’s election. If an unaffiliated voter returns a ballot with more than one political party, the ballot will be rejected and none of the votes will be counted.
