1. **Poll Schedule** - On Election Day, each polling place will be open from 6:00 a.m. to 8:00 p.m. Eastern Time. A voter waiting in line by 8:00 p.m. has the right to vote.

2. **Voter ID** - A voter must provide valid identification and/or proof of address (as the case may be—see table below) at the polling place in order to vote. If the voter DOES NOT HAVE valid identification and/or proof of address, he or she may cast a provisional ballot on Election Day. Acceptable forms of ID include:

<table>
<thead>
<tr>
<th>Voters who registered, by mail, to vote for the first time on or after January 1, 2003, who did not provide proof of identification and address at the time of registry:</th>
<th>All other voters:</th>
</tr>
</thead>
<tbody>
<tr>
<td>-Current and valid photo ID that includes the voter’s name and address, or</td>
<td>-Social Security card or any other preprinted form of identification which shows the elector’s name and either address, signature, or photograph; or</td>
</tr>
<tr>
<td>-Copy of a current utility bill, bank statement, government check, paycheck, or other government document that shows the voter’s name and address.</td>
<td>-Signed statement on a form approved by the Secretary of the State detailing the voter’s residential address, date of birth and name</td>
</tr>
</tbody>
</table>

3. **Accessibility** - All polling places should be accessible to voters with disabilities. A voter who needs assistance using the voting equipment may seek assistance from another person (see “Assistance at the polls” below).

4. **Assistance at the polls** - Any voter, regardless of whether he or she is able to read, write or speak English or is blind or otherwise physically disabled, has the right to receive help voting from a person of his or her choice except the voter’s employer, an agent of the voter’s employer, or an officer or agent of the voter’s union.

5. **If a voter has moved** - If a registered voter has moved within their town, they may update their address at the polling place on Election Day. If a registered voter has moved to a new town and has not registered with his/her new address, the voter must re-register. The local Registrar of Voters should be able to help individuals re-register ([https://portal.ct.gov/-/media/sots/ElectionServices/lists/6-12-18-ROV-Office-Addresses.pdf](https://portal.ct.gov/-/media/sots/ElectionServices/lists/6-12-18-ROV-Office-Addresses.pdf)). Voters may re-register on Election Day at locations designated by their Registrar.

6. **Mistake ballot** - If a voter makes a mistake or “spoils” his or her ballot, and has not cast the ballot, the voter has the right to receive a replacement ballot after returning the spoiled ballot.

7. **Polling place boundary** - Voters have the right to wait to vote (or to vote) without anyone electioneering or trying to influence their vote in any other way within 75 feet of the entrance of the building in which the polls are located.

8. **Provisional ballots** - A voter has the right to vote by provisional ballot if the voter believes he or she is properly registered to vote and: (a) the voter’s name doesn’t appear on the voter rolls and his or her eligibility to vote cannot otherwise be established; (b) the voter’s eligibility to vote has been challenged by a poll watcher or other voter; or (c) the voter doesn’t have the required identification with her or him at the poll and she or he is a newly registered-by-mail voter who did not include a copy of her or his identification with the registration form. **However, a provisional ballot should be a last resort.**

9. **Voting in the 2020 Primaries** - Primary elections in Connecticut are “semi-closed” meaning that voters registered with a party can only vote in that party’s primary election. Unaffiliated voters can participate in primary election of any party. The deadline to change party affiliation in order to vote in a different party’s primary is three months prior to the primary (January 28, 2020 for the presidential primary and May 11, 2020 for the state primary).
