1. **Poll Schedule** - On Election Day, each polling place will be open from 8:00 a.m. to 8:00 p.m. Counties can choose to open early, at 7:00 a.m. A voter in line by 8:00 p.m. has the right to vote.

2. **Voter ID** - In order to vote, a voter must either (a) provide valid photo identification at the polling place or (b) complete and sign a personal identification affidavit which provides the voter’s name and address. Acceptable forms of photo identification for voting are:

   - Idaho driver’s license or identification card issued by the Idaho Transportation Department;
   - Passport or photo identification card issued by an agency of the United States government;
   - Tribal photo identification;
   - Current student photo identification from an Idaho high school or an accredited institution of higher education located in Idaho, including a college, university or technical school;
   - A license to carry a concealed weapon issued by a county sheriff in Idaho.

3. **Accessibility** - Most polling places in Idaho are accessible to voters with disabilities. Voters should call their County Clerk before the election to confirm that their polling place is accessible. If it is not, a voter can make a written request to be reassigned to an accessible polling place. The request must be received no later than five days before an election. Idaho law also allows for curbside voting when a voter is unable, due to a disability, to enter the polling place.

4. **Assistance at the polls** - Any voter who requires assistance to vote because of a disability or an inability to read or write may be given assistance by a person of the voter’s choice, as long as that person is not the voter’s employer, an agent of their employer, or an officer or agent of the voter’s union. The voter can also ask for assistance from one of the election clerks.

5. **If a voter has moved** – If a voter has moved, s/he must re-register to vote. S/he can do this by mail (before the deadline), in person at an early voting site, or in person at the polling place of his or her new address on Election Day. If a voter has moved to a new county and will have lived there for fewer than 30 days at the time of the election, the voter may vote by absentee ballot in their old county.

6. **Mistake ballot** - If a voter makes a mistake or “spoils” his or her ballot, and has not cast the ballot, the voter has the right to receive a replacement ballot after returning the spoiled ballot.

7. **Polling place boundary** - Voters have the right to wait to vote (or to vote) without anyone electioneering or trying to influence their vote in any other way within 100 feet of a polling place or the building in which an election is being held.

8. **Provisional ballots** - The State of Idaho does not have provisional ballots. If an individual’s right to vote is challenged, the challenged individual is still able to vote, provided s/he declares that s/he is qualified to vote and takes the voter’s oath.

9. **Voting in the 2020 presidential primary election** – Anybody can vote in the Idaho Democratic Party primary, regardless of party affiliation. The Republican Party primary is “closed,” meaning that voters must be registered members of the Republican Party to vote in the Republican Party primary.
