1. **Poll Schedule**- On Election Day, each polling place will be open from 7:00 a.m. to 8:00 p.m. A voter in line by 8:00 p.m. has the right to vote. For the June 2, 2020 Primary, the District of Columbia will operate 20 Vote Centers. Please see the Voter Guide for Locations: https://www.dcboe.org/dcboe/media/PDFFiles/Voter-Guide-4-16-2020-Final-4.pdf

2. **Voter ID**- Registered voters do not need to present voter ID, unless that person is completing a same day registration form or has not previously verified his or her residence. Note, some polling places require ID to enter the facility. Acceptable forms of proof to establish residency include a current and valid government photo ID, a government check, pay check, utility bill, rental agreement or bank statement that show the name and address of the voter.

3. **Accessibility**- All polling locations are wheelchair accessible and each polling place has at least two accessible voting machines. A voter has the right to vote using a touch screen voting machine available at wheelchair accessible heights or with a machine that has audio capability.

4. **Assistance at the polls**- Any voter who requires assistance in voting has the right to receive help with voting by a person of his or her choice (except a poll watcher or election observer, the voter’s employer or an agent of the employer, or an officer or agent of the voter’s union).

5. **If a voter has moved**- A voter who has moved and not re-registered with his/her new address can update his/her address on Election Day at the polling place serving his/her new and current address after providing proof of new address. If the voter cannot show valid proof of residence, he/she may vote by special ballot at the polling place for his/her new residence and will have until 5:00 p.m. on the Thursday following Election Day to present acceptable proof of residence to the D.C. Board of Elections in order to have his/her special ballot counted.

6. **Mistake on ballot**- If a voter makes a mistake or “spoils” their ballot, and has not cast the ballot, he or she has the right to receive a replacement ballot after returning the spoiled ballot to a polling place official.

7. **Polling place boundary**- Voters have the right to wait to vote (or to vote) without anyone electioneering or trying to influence their vote in any other way within 50 feet of the entrance to the polling place, or polling room.

8. **Special ballots**- Voters have the right to vote by special ballot (i.e., provisional ballot) if they believe they have properly registered to vote and: (a) their name does not appear on the list of registered voters in their precinct; (b) they did not provide identification after registering by mail and are voting for the first time; (c) their right to vote has been challenged by an eligible challenger and the challenge has been sustained by the precinct captain or the hearing officer of the D.C. Board of Elections; or (d) the voter is listed as an absentee voter but claims not to have voted by absentee ballot. **However, a special ballot should be a last resort.**

9. **Voting in the 2020 presidential primary election**- Primary elections in the District are “closed”, meaning only voters registered by party may vote in that party’s primary election. Unaffiliated and “independent” voters may not vote in primaries unless they update their registration to include party affiliation. Voters may not change their party affiliation after the 21st day before a primary Election Day.
