1. **Poll schedule**- On Election Day, each polling place will be open from 6:00 a.m. to 6:00 p.m. prevailing local time (Eastern or Central). A voter in line by 6:00 p.m. has the right to vote.

2. **Voter ID**- A voter must provide current and valid photo identification at the polling place in order to vote a regular ballot. The photo ID must have the voter’s photo and name, and be issued by the State of Indiana or the U.S. government. It must also have a valid expiration date (some expired IDs are accepted, and military and veteran IDs do not need to have an expiration date). If the voter does not have photo identification, the voter can cast a provisional ballot.

   The provisional ballot will be counted only if the voter: (1) returns to the election board by noon on the tenth day after the election (June 2, 2020) and the voter: (A) produces proof of identification; or (B) executes an affidavit stating that the voter cannot obtain proof of identification, because the voter: (i) is indigent; or (ii) has a religious objection to being photographed; and (2) has not been challenged or required to vote a provisional ballot for any other reason.

3. **Accessibility**- All polling locations must be accessible to elderly voters and persons with disabilities, and each polling place must have at least one voting system equipped for individuals with disabilities. The accessible voting system must permit voters with disabilities to cast a ballot privately and independently.

4. **Assistance at the polls**- Any voter, regardless of whether he or she is able to read, write or speak English or is blind or otherwise physically disabled, has the right to receive help voting from a person of his or her choice except the voter’s employer, an agent of the voter’s employer, or an officer or agent of the voter’s union. If the voter requests assistance but does not designate a person to assist, two election judges shall assist the voter.

5. **If a voter has moved**- If a voter has moved to a different precinct in the same county and congressional district at least 30 days prior to the election and did not update registration, or if the voter moved to a different county within the state less than 30 days prior to the election, the voter may vote at the polling place of the voter’s old precinct. If the voter moved within a county less than 30 days prior to the election, the voter may vote at the polling place of the voter’s new precinct.

6. **Mistake ballot**- If a voter makes a mistake or “spoils” his or her ballot, and has not cast the ballot, the voter has the right to receive a replacement ballot after returning the spoiled ballot.

7. **Polling place boundary**- Voters have the right to wait to vote (and to vote) without anyone electioneering or trying to influence their vote in any other way within the polling place or chute.

8. **Provisional ballots**- A voter has the right to vote by provisional ballot if the voter believes he or she has properly registered to vote but: (a) the voter’s name does not appear on the list of registered voters for the precinct (and does not vote a regular ballot through another process); (b) the voter does not provide proper identification at the polling place; (c) the voter does not have photo identification and is a first-time voter who registered by mail and did not provide acceptable identification at that time; or (d) the voter’s right to vote has been challenged by an eligible challenger. However, a provisional ballot should be a last resort.

9. **Voting in the 2020 primaries**- Any registered Indiana voter may vote during the primary, but only for candidates of the party to which the voter claims affiliation.
