1. **Poll Schedule** - For the 2020 presidential primary, on Election Day, each polling place will be open from 7:00 a.m. to 8:00 p.m. A voter in line by 8:00 p.m. has the right to vote.

2. **Voter ID** - A voter must provide valid photo identification at the polling place in order to vote. If the voter DOES NOT HAVE photo identification, the voter may sign an affidavit, which includes their date of birth and mother’s maiden name. Acceptable forms of ID include:

   - Valid Louisiana Driver’s License
   - Valid Louisiana special identification card
   - Valid Louisiana Wallet Digital Driver’s License
   - U.S. military ID card with voter’s name and photo
   - Other generally recognized picture identification card that contains the voter’s name and signature.

3. **Accessibility** - All polling places must be accessible to individuals with disabilities. Additionally, voters who have visual impairments or are unable to read may choose to use an audio ballot.

4. **Assistance at the polls** - A voter is entitled to assistance while voting if unable to read or unable to vote without assistance because of a physical disability, including being visually impaired. Such a voter has the right to receive help with voting by a person of the voter’s choice, with the exception of candidates, commissioners-in-charge, the voter’s employer or an agent of the employer, or an officer or agent of the voter’s union. Voters requiring assistance may need to provide proof of disability, such as a physician’s certificate, either on or prior to Election Day.

5. **If a voter has moved** - If a voter has moved within a precinct or to a different precinct within the same parish prior to Election Day, the voter may vote at the polling place of the last address on file with the Registrar. If the voter moved to a different parish, the voter may still vote at their old polling place by regular ballot, provided that the voter moved within the last three months. A voter may be required to complete an address confirmation card updating their registration to the new address.

6. **Mistake ballot** - If a voter makes a mistake or “spoils” their ballot when using a voting machine, the voter can make as many changes as desired before actually pressing the “cast vote” button. To make a change, press the previous selection to de-activate the selection before making a new selection. A voter is allowed by law 3 minutes to cast their vote, or 20 minutes if entitled to assistance or using the audio voting ballot. If at any time during voting, a voter does not understand how to operate the voting machine or does not believe the voting machine is allowing a vote on the offices that the voter is eligible to vote on, the voter should step out and notify a commissioner. A voter must notify a commissioner before pressing the CAST VOTE button. A voter cannot change the ballot after casting a vote. If a voter makes a mistake on a paper provisional ballot, it must be returned to one of the election workers and the voter must get a new provisional ballot.

7. **Polling place boundary** - Voters have the right to wait to vote (and to vote) without anyone electioneering or trying to influence their vote in any other way within 600 feet of the entrance of the polling place.

8. **Provisional ballots** - A voter has the right to vote by provisional ballot if: (a) the applicant’s name does not appear on the precinct register and the Registrar has not authorized the applicant to vote by affidavit; (b) the commissioners assert that the applicant is not eligible to vote, and the applicant makes a declaration to be a registered voter and eligible to vote in the election for federal office; or (c) the voter is voting in a federal election during court-ordered extended polling hours. **However, a provisional ballot should be a last resort.**

9. **Can I vote in the presidential primary?** Yes, provided you are registered with the party of the candidate you wish to vote for. The 2020 presidential primary elections in Louisiana are “closed”, meaning only voters registered with the political party may vote in that party’s primary election.
