1. **Poll Schedule**- Democratic Caucus sites will open at 10 a.m. The Caucus will begin at 12 p.m.

For the 2020 statewide primary and for the general election, each polling place will be open from 7:00 a.m. to 7:00 p.m. Pacific. A voter in line by 7:00 p.m. has the right to vote.

2. **Voting in the 2020 Presidential Caucus, Primary Elections**- Party Caucuses and primary elections in Nevada are closed, meaning only voters registered by party may vote in that party’s primary election and/or caucus. Unaffiliated and “independent” voters may not vote in primaries or caucuses unless they update their registration to include party affiliation.

3. **Voter ID**- Most voters do not need to show ID. There are only two limited exceptions to this rule.

   **Exception One**- (1) this is the voter’s first time voting in a federal election in Nevada; and (2) the voter registered either via mail or online; and (3) the voter did not submit their driver’s license number or last four digits of their SSN when they registered, or an election official was not able to match the voter’s driver’s license or SSN with existing records. **Acceptable forms of ID for Exception One** are a current and valid photo ID, including a Nevada driver’s licence or non-driver’s ID card, or a current utility bill, bank statement, paycheck, or government document that shows the voter’s name and address. (This means the voter does not have to show photo ID)

   **Exception Two**- If the election board officer determines that the voter’s signature on the voter register does not match the signature on the voter registration, the voter can be identified by:
   - Answering questions from the election board officer about personal data reported on the voter registration; or
   - Reporting other personal data which verifies his or her identity; or
   - Showing his or her driver’s license, DMV identification card, military identification card, or any other form of identification issued by a governmental agency which contains the voter’s signature and physical description or picture.

If Voter does not have any of these forms of ID with them then they can cast a provisional ballot.

4. **Accessibility**- All polling places should be accessible to voters with disabilities. Additionally, there should be voting equipment at every polling place to accommodate voters with disabilities, including non-visual accessibility for the blind and visually impaired.

5. **Assistance at the polls**- Any voter, regardless of whether they are able to read, write or speak English, or if they are blind or otherwise physically disabled, has the right to receive help from a person of their choice except the voter’s employer, an agent of the voter’s employer, or an officer or agent of the voter’s union.

6. **Polling Location**- Clark County Residents may vote at any vote center in Clark County. Residents of other counties should check the Secretary of State’s website for polling place information.

7. **Mistake ballot**- If a voter makes a mistake or “spoils” their ballot, and has not cast the ballot, the voter has the right to receive a replacement ballot after returning the spoiled ballot.

8. **Polling place boundary**- Voters have the right to wait to vote without anyone electioneering or trying to influence their vote in any other way within 100 feet of the entrance to the voting area.

9. **Provisional ballots**- A voter has the right to vote by provisional ballot if the voter believes they are properly registered to vote and: (a) The voter’s name did not appear as an eligible voter in that election in that jurisdiction; (b) The voter applied to vote by mail or computer and failed to provide the identification required at the polling place; or (c) The voter declares that, as a result of a court order extending the time established for the closing of polls, they are entitled to vote after the polling place would normally close. Voters may call the Nevada provisional ballot hotline at (877) 766-8683 to verify whether their vote was counted. **A provisional ballot should only be used as a last resort.**
