1. **Poll Schedule**—Polls are open from 7:00 a.m. to 7:00 p.m. Central Time. A voter waiting in line by 7:00 p.m. has the right to vote and cannot be turned away.

2. **Voter ID**—A voter must provide valid identification when voting in person. If the voter does not have valid identification, he or she may cast a provisional ballot by submitting an affidavit swearing that he or she is eligible, but it will only be counted if it is cast in the precinct of the voter’s residence and if evidence of valid voter registration and identity is found. If possible, a voter should go and get acceptable identification and NOT cast a provisional ballot.

   Acceptable forms of ID include:

   - Oklahoma Voter Identification Card (even though it does not include a photograph)
   - Oklahoma Driver’s License
   - Oklahoma Nondriver ID
   - Tribal Membership Card
   - US Passport or US Military ID

   Other forms of identification are acceptable if the ID:

   - Shows the name of the person to whom the document was issued and it “substantially conforms” to the registry
   - Shows a photograph of the person
   - Is not expired (identification that does not expire is valid)
   - The identification was issued by the United States, the State of Oklahoma, or a federally recognized Indian tribe or nation

3. **Accessibility**—Disabled voters can: 1) vote by mail, 2) request to be assigned to an accessible polling place, or 3) request assistance from the inspector at the polling place.

4. **Assistance at the polls**—Voters who are blind, have physical disabilities, or cannot read can receive assistance from a person of their choice, so long as that person is not the voter’s employer, an agent of the voter’s employer, or an officer or agent of the voter’s union.

5. **If a voter has moved**—If a registered voter has moved, he or she has the right to vote by regular ballot at the polling place of his or her OLD residence one last time and can update his or her address at that location. The voter can also vote by mail. When submitting the application for an absentee ballot, the voter should include the old address under which he/she is currently registered, but should request that the ballot be sent to the new address.

6. **Mistake ballot**—If a voter makes a mistake or “spoils” his or her ballot, and has not cast the ballot, the voter has the right to receive a replacement ballot.

7. **Polling place boundary**—Electioneering is prohibited within 300 feet of any ballot box.

8. **Provisional ballots**—A voter has the right to vote by provisional ballot if the voter believes he or she is properly registered to vote and: (a) the voter’s name does not appear on the list of registered voters for the precinct; (b) the voter does not provide identification at the polling place; (c) records wrongfully reflect that the voter voted early; (d) a federal or state court order extends the time for closing the polls beyond that established by state law and the voter votes during the extended period of time; or (e) the person is not registered but would otherwise be eligible to register and the person returned from overseas military service or employment in the 90 days before the election or is the spouse or dependent of such a person. **However, a provisional ballot should be a last resort.**

9. **Voting in the 2020 presidential primary election**—Primary elections in Oklahoma vary by party. Republican and Libertarian primary elections are closed, meaning only voters registered by party may vote in that party’s primary election. Unaffiliated and “independent” voters may not vote in these primaries unless they update their registration to include party affiliation. The Democratic primary election is semi-closed, meaning voters registered as democrats or unaffiliated voters may vote in the primary election.
