1. **Poll Schedule**- On Election Day, each polling place will be open from 7:00 a.m. to 8:00 p.m. Mountain Time. A voter within the voting room by 8:00 p.m. has the right to vote.

2. **Voter ID**- A voter must provide valid voter identification at the polling place in order to vote. If the voter DOES NOT HAVE photo identification, he or she may cast a provisional ballot. The provisional ballot will be counted if he or she presents valid identification to the county clerk at the county clerk’s office or to an election officer who is administering the election before the close of normal office hours on Monday after the day of the election. Acceptable forms of ID include:

4. **Assistance at the polls**- Any voter, regardless of whether he or she is able to read, write or speak English or is blind or otherwise physically disabled, has the right to receive help voting from a person of his or her choice except the voter’s employer, an agent of the voter’s employer, an agent of the voter’s union or a candidate. The voter may ask poll workers for instruction on operating the voting devices. If instruction is requested after entering the voting booth, two poll workers of different political parties may enter the booth to provide instruction.

5. **If a voter has moved**- If a registered voter has moved to a different precinct in the same county prior to the election, he or she has the right to vote a provisional ballot at the polling place of his or her NEW residence upon providing valid identification establishing the voter’s identity and place of residence in the precinct.

6. **Mistake ballot**- If a voter makes a mistake or “spoils” his or her ballot, and has not cast the ballot, the voter has the right to receive a replacement ballot after returning the spoiled ballot.

7. **Polling place boundary**- Voters have the right to wait to vote (or to vote) without anyone electioneering or trying to influence their vote in any other way within 150 feet of the building in which the polls are located.

8. **Provisional ballots**- A voter has the right to vote by provisional ballot if the voter believes he or she is properly registered to vote and: (a) the voter’s right to vote is challenged; (b) the voter’s name is not found on the official register; or (c) the poll worker is not satisfied that the voter has provided valid voter identification. **However, a provisional ballot should be a last resort.**

9. **Voting in the 2020 presidential primary election**- The Republican primary in Utah is “closed,” meaning only voters registered by the Republican party may vote in the Republican primary. The Democratic primary in Utah is “open,” meaning both Democratic party members and unaffiliated voters may vote in the Democratic primary.
