1. **Poll Schedule** - On Election Day, each polling place will be open from 6:00 a.m. to 7:00 p.m. ET. A voter in line at the polling place by 7:00 p.m. has the right to vote.

2. **July 1st Voting Law Changes** – Various changes to Virginia’s voting laws go into effect on July 1, 2020, applying to the November 3, 2020 General Election. These changes include no-excuse early voting, removing the requirement to show photo ID prior to casting a ballot, making Election Day a state holiday, automatic voter registration at the Department of Motor Vehicles, and expanding acceptable student IDs.

3. **Voter ID** - A voter must provide valid photo ID in order to vote a regular ballot. For ID to be considered valid, it must be genuine and not be more than 12 months past expiration. Acceptable forms of photo ID include: (i) a Virginia driver’s license; (ii) a U.S. passport; (iii) any other photo identification issued by Virginia, one of its political subdivisions, or the U.S. government; (iv) a student identification card containing a photograph of the voter and issued by any public or private institution of higher education or private school located in Virginia; or (v) an employee ID card containing a photo of the voter.

4. **Accessibility and Assistance** - Any voter who needs assistance voting is entitled to have some person of their choice, other than the voter’s employer, an agent of the employer, or an officer or agent of the voter’s union, mark the voter’s choices or assist the voter in marking their choices on the ballot. Voters who are 65 or older or physically disabled are entitled to request that an officer of election hand them a printed ballot outside the polling place but within 150 feet of the entrance to the polling place.

5. **If a voter has moved** - If a voter has moved, but has not re-registered to vote at their new address, they may continue to vote at their old polling place temporarily if their registration has not been changed or canceled. If they moved within the same precinct, they may still vote at their old polling place after any period of time has passed. If they moved within the same registrar’s jurisdiction and congressional district, they may vote in the following two federal general elections and any intervening elections. If they moved to a different registrar’s jurisdiction, they may vote through the next November general election and any intervening elections following their move. In any case, they need to ask for and fill out a change of address form. They can cast a regular ballot.

6. **Mistake on ballot** - If a voter makes a mistake or “spoils” their ballot, the voter has the right to receive a replacement ballot after returning the spoiled one.

7. **Polling place boundaries and electioneering** - Voters have the right to vote without anyone campaigning or trying to influence their votes in any other way within 40 feet of the entrance to the polling place. Voters ARE allowed to wear campaign t-shirts, buttons, etc. when they go to vote. Candidates or anyone visiting the polling place without voting are NOT allowed to wear campaign material.

8. **Felony Conviction** - A voter with a felony conviction is not able to vote unless their rights have been restored and they have re-registered to vote. A voter’s registration status can be checked at [https://vote.elections.virginia.gov/VoterInformation](https://vote.elections.virginia.gov/VoterInformation) and rights restoration status can be checked at [https://solutions.virginia.gov/RestorationOfRights/Search](https://solutions.virginia.gov/RestorationOfRights/Search). Voters with a felony conviction in a state other than Virginia must first have their rights restored in that state before being able to register to vote in Virginia.
