1. **Poll Schedule**- On Election Day, each polling place will be open from 7:00 a.m. to 8:00 p.m. local time. A voter who is in line by 8:00 p.m. has the right to vote.

   **NOTE:** Polling places may have changed due to COVID-19, please ensure all voters check with their local clerk to determine their polling location: [https://myvote.wi.gov/en-US/MyMunicipalClerk](https://myvote.wi.gov/en-US/MyMunicipalClerk).

2. **Voter ID**- A voter must provide valid identification at the polling place in order to vote. The address on the identification need not be current. If voters do not have identification with them, they may vote by provisional ballot. If a voter casts a provisional ballot but returns with proper identification before the closing hour, the vote will be cast as a regular ballot.

3. A driver's license or ID card issued by the Wisconsin Department of Transportation;  
   - A military ID card issued by a U.S. uniformed service;  
   - A U.S. passport;  
   - A veteran's photo ID card issued by the Veterans Health Administration;  
   - An identification card issued by a federally recognized Native American tribe in Wisconsin;  
   - A certificate of naturalization that was issued not earlier than two years before election day;  
   - A driver license receipt issued by Wisconsin DOT (valid for 45 days);  
   - An identification card receipt issued by Wisconsin DOT (valid for 45 days); or  
   - A photo identification card issued by a Wisconsin accredited university or college that contains date of issuance, signature of student, and an expiration date no later than two years after date of issuance. Such identification must be accompanied by a separate document that proves enrollment.

4. **Accessibility**- All polling places should be accessible to voters with disabilities. Additionally, there should be voting equipment at every polling place to accommodate voters with disabilities.

5. **Assistance at the polls**- Any voter, regardless of whether he or she is able to read, write or speak English or is blind or otherwise physically disabled, has the right to receive help voting from a person of his or her choice except for the voter’s employer, an agent of the voter’s employer, or an officer or agent of the voter’s union.

6. **If a voter has moved but has not updated registration**- Each voter must vote at the appropriate polling place for his or her current address (as long as he or she has lived in that location for at least 28 days). Voters who have moved, even within the same ward or municipality, are required to re-register with an updated Proof of Residence. Voters who have moved within Wisconsin and lived in their current locations for less than 28 days must vote at the polling place for their prior address, either in-person or by absentee ballot. Voters who have lived in Wisconsin for less than 28 days are only eligible to cast a Presidential-only ballot.

7. **Mistake ballot**- If a voter makes a mistake or “spoils” his or her ballot, and has not cast the ballot, the voter has the right to receive a replacement ballot after returning the spoiled ballot.

8. **Polling place boundary**- Voters have the right to wait to vote (or to vote) without anyone electioneering or trying to influence their vote in any way within 100 feet of the entrance of the building in which the polls are located.

9. **Provisional ballots**- A voter has the right to vote by provisional ballot if the voter believes he or she is properly registered to vote and: (a) the voter’s name does not appear on the list of registered voters for the precinct; (b) the voter requested an absentee ballot that he or she did not receive or
did not cast; (c) the voter’s right to vote has been challenged and the election board finds the challenge is valid; or (d) a federal or state court order extends the time for closing the polls beyond that established by state law and the voter votes during the extended period of time. Because Wisconsin allows same-day voter registration, provisional ballots should be needed only in very limited circumstances. For example, a qualified elector who has a valid Wisconsin driver license wants to register at a polling place on Election Day, but is unable or unwilling to list the number on the registration form, or a registered voter is unable or unwilling to provide proof of identification. **However, a provisional ballot should be a last resort.** If you have any questions or to report any problems, call 866-OUR-VOTE (866-687-8683)

10. **Who can vote in the Primary** – The primary is “open”, meaning all registered voters may cast a ballot regardless of political affiliation. Voters may only vote in one party’s primary and will receive a ballot with that party’s candidates.
