

1. **Poll Schedule** – On the day of the primary, May 18, 2021, each polling place will be open from 7:00 a.m. to 8:00 p.m. Eastern Time. A voter in line by 8:00 p.m. has the right to vote. Voters may line up prior to 7:00 a.m. on May 18.

2. **Voter ID** – Pennsylvania voters are usually not required to show identification at the polling place. Voters must show identification if they are voting for the first time in an election district or if they have not previously voted in their current election district. Any of the following forms of photo ID are acceptable:

PA driver's license or PennDOT ID Card
Photo ID issued by any
Commonwealth agency;
Photo ID issued by the U.S. Government;
U.S. Passport;
U.S. Armed Forces ID;
Student ID with a photo; or
Employee ID with a photo

Alternatively, you can provide one of the following documents if they contain your name and current address:

- Confirmation of registration from the Voter Registration Office;
- Non-photo ID issued by the Pennsylvania or U.S. Government;
- Current utility bill;
- Firearm permit;
- Current bank statement; or
- Current paycheck or government check.

NOTE: Voters who are voting at a new polling place location (like a consolidated polling place) are not required to show ID unless they have not previously voted in their election district.

3. **Accessibility** – In some cases, a polling place may not be easily accessible for those with disabilities. Elderly voters and individuals with disabilities who are assigned to an inaccessible polling place have the right to an alternative ballot. For more information on alternative ballots, see <https://www.votespa.com/Voting-in-PA/Pages/Accessible-Voting.aspx> or call 866-OUR-VOTE.

4. **Assistance at the polls** – A voter who is unable to read, write or speak English or who is blind or otherwise physically disabled has the right to receive help voting from a person of their choice except the voter's employer, an agent of the voter's employer, or an officer or agent of the voter's union.

5. **If a voter has moved** – If a registered voter has moved within Pennsylvania, the voter should go to the polling place for their former residence and will be permitted to vote a regular ballot after filling out a written affirmation of the change of address.

6. **Polling place has been consolidated or changed:** The voter should check the Department of State website and use the find my polling place tool:
<https://www.pavoterservices.pa.gov/pages/pollingplaceinfo.aspx>

7. **Polling place boundary** – Voters have the right to wait to vote (or to vote) without anyone electioneering or trying to influence their vote in any other way within 10 feet of the entrance of the room in which voting is taking place.

8. **Provisional ballots** – A voter has the right to vote by provisional ballot if the voter believes they are properly registered to vote and:
- the voter’s name does not appear on the list of registered voters for the precinct;
 - the new voter does not provide identification at the polling place;
 - the voter requested an absentee ballot that they did not receive or did not cast;
 - the voter requested a vote by mail ballot and they did not receive or did not cast;
 - the voter’s right to vote has been challenged by an inspector who believes the voter is not entitled to vote at that precinct; or
 - a federal or state court order extends the time for closing the polls beyond that established by state law and the voter votes during the extended period of time.

However, a provisional ballot should be a last resort. Within seven days after the election, the County Board of Elections will examine your provisional ballot to determine if it is valid. After this seven-day period, you can find out if your provisional ballot was counted, partially counted or not counted.

9. **Vote by Mail:**

- Request for a mail-in ballot must be received by your county’s board of elections office by May 11, 5.p.m, Eastern Time. The request can be submitted:
 - In-person at your county’s board of election office – you can access information about your county election office at:
<https://www.votespa.com/Resources/Pages/Contact-Your-Election-Officials.aspx>
 - By mail by completing the Pennsylvania Mail-In Ballot Application and mailing it to your county’s board of elections office. The form and additional information about submitting a mail-in ballot application can be found here:
<https://www.votespa.com/Voting-in-PA/Pages/Mail-and-Absentee-Ballot.aspx>.
Remember: The application must be **RECEIVED** before the application deadline so you should plan to send the application at least several days before the deadline.
 - Online at [VotesPA.com/ApplyMailBallot](https://www.votespa.com/ApplyMailBallot).
- Complete your ballot consistent with your voting preferences and insert it into the inner secrecy envelope. Then, insert the secrecy envelope into the return envelope. Complete and **sign** the declaration on the outer return envelope. The envelope **must** be signed by the voter.
- The ballot must be **RECEIVED** by your county’s board of elections by 8:00 p.m. on May 18, 202. **REMEMBER:** It is not enough that your ballot is postmarked by this deadline. It must be received by your county’s board of elections so you should plan to mail your ballot as soon as possible to ensure it arrives before the deadline.
- If you believe your ballot will not arrive in time, you may not drop off voted mail in ballots at polling places. However, a voter may surrender their ballot and outer return envelope at the polling place to the Judge of Elections. The JOE will spoil the ballot and the voter will be permitted to vote on a regular ballot.
