4. **DEADLINES:** When is/was the voter registration deadline? Are there different deadlines whether I register by mail, in-person, online or on Election Day?

An application for voter registration must be postmarked or hand delivered to the Circuit Clerk’s Office located in the county of your voting residence no later than 30 days before an election. The registration deadline for the 2021 General/Special Election was October 4, 2021.

No, Mississippi does not offer same day voter registration.

6. **PERMANENT MOVE:** I have moved permanently and I didn’t update my voter registration, can I vote?

Refer to the table below. The answer to this question depends on when and where the voter moved.

The Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) provides for certain provisions to assist voters living abroad to receive and return their absentee ballot in time to be counted on election day.

UOCAVA Voters - Please contact your Circuit Clerk to request an absentee ballot for any upcoming elections your County may be having this year OR alternatively complete and return the Federal Postcard Application by email, fax or mail (https://www.sos.ms.gov/content/documents/elections/Voter%20Registration%20and%20Absentee%20Ballot%20Request%20(FPCA).pdf).

Please note, no person shall be deemed to be a resident of a county solely because of being incarcerated in a facility under the jurisdiction of the Department of Corrections that is located in such county.\textsuperscript{19}

12. NOT ON ROLLS AT POLLING PLACE: I am at my polling place and am not on the voter registration roll. Can I vote where I am?

A Voter may vote by an affidavit ballot if the voter’s name is not in the voter registration roll and is at the correct polling place. If a voter casts an affidavit ballot in the wrong polling place, the entire ballot will be rejected and will not be counted.\textsuperscript{20}

A voter’s name can be removed from the list of registered voters by in the following situations:

- The registrant’s address has changed to outside of the county,\textsuperscript{21}
- Death,
- Written request of the voter,

- Disqualification for any other cause.\textsuperscript{22}

Any voter whose name was removed in one of the above ways and who subsequently becomes eligible to vote must re-register in order to have their name restored to the statewide voter registration system.

Volunteers can take steps to help to determine why a voter’s name is not appearing on the list of registered voters:

- Check the voter’s registration status using the registration lookup tool to make sure the voter is registered to vote and is at the right place. (See Question #1.)
- Has the voter moved recently? Could they be registered at an old address? Check that address in the registration lookup tool. (See Question #1 and Question #6.)
- Has the voter changed their name recently, or could they be registered under a different name? Check that name (and any variations of the voter’s name, especially for hyphenated names, which sometimes confuse databases) in the registration lookup tool. (See Question #1.)

\textsuperscript{19} See Miss. Code Ann. § 47-1-63. Residency of prisoner as affected by incarceration in facility of Department of Corrections.

\textsuperscript{21} The National Voter Registration Act of 1993, Section 8. The Act requires States to conduct a general voter registration list maintenance program that makes a reasonable effort to remove ineligible persons from the voter rolls by reason of the person’s death, or a change in the residence of the registrant outside of the jurisdiction, in accordance with procedures set forth in the NVRA.

• When/where did the voter register to vote? Was that before the deadline? (See Question #4.)
• Contact the registrar’s office to see if they have a record of the registration. If not, and if the voter registered at another government agency, contact that agency to see if it has a record of the registration.

If there are more than 30 days prior to the election, the voter has time to register in the county or municipality. Please refer to #2 HOW: How do I register to vote? for more information.

\section*{POLLING PLACE ISSUES}

\textbf{37. POLLING PLACE NOT OPEN: The polling place is not open. What do I do?}

\textsuperscript{61} Confirmed with call to the SOS Election Hotline: 800-829-6786.
\textsuperscript{63} Miss. Code Ann. § 563(3)
Voters should contact their County Circuit Clerk’s county or the Secretary of State’s Election Hotline at 800-829-6786.

*Note to hotline volunteer: If you learn of a polling place not opening on time or is closed, notify your hotline captain immediately.

38. LONG LINES: There are long lines at the polling place. What do I do? What if the polls are closing while I’m in line?

Voters should contact their County Circuit Clerk’s Office (https://www.sos.ms.gov/Elections-Voting/Pages/County-Election-Info.aspx) or the Secretary of State’s Election Hotline at 800-829-6786.

See Question # 34 for answer if voter is in line when polls are closing.

*Note to hotline volunteer: If you learn of long lines, notify your hotline captain.

39. EQUIPMENT FAILURE: What should I do if there are equipment problems at my precinct?

Voters should immediately notify the election officers at the polling place if the voting equipment breaks down while the polls are open. If the problem cannot be fixed in a timely manner, a voter can use an emergency paper ballot and should request one if it is not offered.64

*Note to hotline volunteer: If you learn of equipment not working properly at a polling place, notify your hotline captain immediately.

40. NO PPE/COVID: What if my polling place is not enforcing COVID-19 precautions or has run out of supplies?

To ensure voting is safe and secure on Election Day, the Secretary of State’s Office is providing the following to all Counties:

• Personal protective equipment (PPE): Every poll manager will be provided with a mask, face shield, and gloves to prevent the spread of COVID-19.
• Hand sanitizer for each polling place.
• Masks for voters who do not bring their own to the polling place and wish to wear a mask. (Voters are not required to wear a mask, and voters can not be turned away or denied the right to vote if not wearing a mask.)
• Single use pens and/or styluses so voters can cast a ballot without touching a previously used marking device. Voters may take the pen or stylus as they leave the polling place or place the item in a box to be sanitized for future use.
• Disinfectant supplies for sanitizing the polling place.
• House Bill 1789 allows for at least one additional poll manager in each polling place to be hired specifically for sanitizing the polling place and assisting with social distancing for COVID-19.

Individual counties may purchase additional supplies and sanitizing equipment to protect both election officials and voters, such as sneeze guards/protective barriers, and other items deemed essential by the county.

• All voters are strongly encouraged to wear a mask to the polling place, abide by social distancing recommendations, and practice good COVID-19 hygiene.
• Candidates or certified poll watchers are asked to wear masks when observing. Failure to wear a mask, if the county/state is under a mask mandate, may result in being asked to leave the polling place.
• If the physical structure of the polling place allows, the polling place should have a separate entrance and a separate exit for voters.
• Any voter exhibiting any symptoms of COVID-19 on Election Day, which include but are not limited to coughing, vomiting, headaches, fever, sore throat, congestion, or loss of taste and/or smell, is encouraged to vote curbside and not enter the polling place. For questions or concerns regarding curbside voting, please contact your local Circuit Clerk or Election Commissioners.
• Polling places will be arranged, if possible, to allow for six (6) feet between voters. Polling places will have visible markings to clearly indicate where voters are to stand. Any poll manager may enforce the social distancing recommendations currently in place.
• When evaluating a voter’s photo ID, poll managers may ask the voter to step back six (6) feet and briefly lower his/her face covering so the poll manager can identify the voter in accordance with the Mississippi Voter ID Laws and Administrative Rules.

41. EQUIPMENT ASSISTANCE: I don’t know how to use the voting equipment. Can I get help?

Polling Places with OMR Equipment (Paper Ballots): Voters must receive written and/or verbal instructions from the poll managers on how to cast their ballot before entering the voting booth. If voters need additional instructions on how to operate the machine, two election officers may, if necessary, enter the booth and give the voter instructions. However, the election officers may not in any way seek to influence the vote. After providing the necessary assistance, the officers must leave the booth so the voter can cast their vote in secret.⁶⁵

Polling Places with DRE Equipment (Touch Screen/Button): Election officials must provide instructions inside each voting booth on how to vote on the equipment.⁶⁶

Polling places must also display a sample ballot outside of the booth.⁶⁷

Voters should also be aware that there is a time limit of 10 minutes for casting their vote within the voting machine booth, and a limit of 5 minutes if other voters are waiting.⁶⁸

For further instruction while voting at the polls on Election Day, voters should contact election officials or the Secretary of State’s Office at 800-829-6786.

42. PHYSICAL DISABILITY: I have a physical disability and need assistance. Will my polling place be accessible?

Yes. All polling places must be accessible to all voters and ADA-compliant.69 Every qualified elector is entitled to vote in Mississippi regardless of ability. A voter who has a physical disability that drives or is driven to the polling location, but is unable to enter the polling place may vote through curbside voting. A poll manager will assist the voter outside of the polling location.70 If a voter reports that a polling place does not have curbside voting, alert the on-call attorney in that jurisdiction. If the jurisdiction does not have an on-call attorney, alert an Election Protection Captain so an attorney can contact the responsible election official to address the problem.

42. READING/LANGUAGE ASSISTANCE: I am blind, have a physical disability, or cannot read English and require assistance in order to vote. Can I get assistance at the polls?

Yes. Any voter who needs assistance voting by reason of blindness, disability, or inability to read or write English is entitled to have a person of their choice mark the voter’s choices or assist the voter in marking their choices on the ballot EXCEPT:

- a candidate on the ballot;
- a first-degree relative of a candidate on the ballot;
- a poll watcher observing the polling place;
- the voter’s employer or an agent of the voter’s employer; or
- an officer or agent of the voter’s union

A candidate or the spouse, parent, child, or sibling of a candidate may assist the voter if the person is a first-degree relative of the voter. A first-degree relative includes a parent, child, or sibling.71

43. CURBSIDE VOTING: When can I request curbside voting?

A voter with a physical disability who drives, or is driven, to the polling place but is unable to enter the polling place may vote curbside on Election Day.72 A poll manager will assist the voter.

44. CAMPAIGNING: What rules apply to people campaigning or “hanging around” my polling place? Can people approach me?

Individuals are prohibited from distributing campaign material within 150 feet from the entrance to any polling place building. Campaign material includes any cards, posters or other campaign literature.73 If the polling place is within 150 feet of private property, the property owner may “post

---

45. \textbf{CHALLENGES: Someone is formally challenging my vote. What do I do?}

Any person, although personally registered as an elector, may be challenged by any candidate, official poll watcher, qualified elector from the precinct in which the challenge is made, or any poll manager or poll worker. The person may be challenged on the following grounds:

1) The voter is not a registered voter in the precinct;
2) The voter is not the registered voter under whose name the voter has applied to vote;
3) The voter has already voted in the election;
4) The voter is not a resident in the precinct where the voter is registered;
5) The voter has illegally registered to vote;
6) The voter has removed their ballot from the polling place; or
7) The voter is otherwise disqualified by law.\footnote{Miss. Code Ann. § 23-15-579(4).}

The challenge will be considered by all the poll managers at the time it is made.

- If the challenge clearly appears to be well taken in the unanimous opinion of the poll managers, the vote will be rejected and not counted. The challenged voter should mark their choices and cast their vote by paper ballot. After the ballot has been marked by the challenged voter, the poll manager will need to mark it as “REJECTED” and write the name of the voter and the reason the ballot of the challenged voter was rejected on the back of the ballot.\footnote{Miss. Code Ann. § 23-15-579(3).}

- If the challenge clearly appears to be frivolous and not made in good faith in the unanimous opinion of the poll managers, the challenge will be disregarded and the voter is allowed to cast their vote regularly.\footnote{Miss. Code Ann. § 23-15-571(3).}

- If it is unclear if the challenge is well taken or frivolous and no unanimous decision can be made by the poll managers, the challenged voter is entitled to mark their choices and cast their vote by paper ballot. After the ballot has been marked by the challenged voter, the poll managers will need to mark it as “CHALLENGED” and write the name of the voter and the reason the ballot of the challenged voter was challenged on the back of the ballot.\footnote{Miss. Code Ann. § 23-15-579(2).}

If the voter believes they are a registered voter in the jurisdiction in which they desire to vote and is eligible to vote in the election, they should be entitled to complete a provisional Affidavit Ballot. Please refer to Question \#47 for more information.
46. **POLICE/MILITARY PRESENCE:** There are police/members of the military at the polling place. Is this okay? What do I do?

Voters concerned about police/military presence should contact their County Circuit Clerk’s Office ([https://www.sos.ms.gov/Elections-Voting/Pages/County-Election-Info.aspx](https://www.sos.ms.gov/Elections-Voting/Pages/County-Election-Info.aspx)) or the Secretary of State’s Election Hotline at 800-829-6786.

*Note to hotline volunteer:* If you learn of police/members of the military at the polling place, notify your hotline captain immediately.

47. **PROVISIONAL/AFFIDAVIT BALLOT:** I have been offered a provisional/affidavit ballot. What should I do?

Ask why the voter was offered a provisional ballot (also called an Affidavit Ballot). A voter should be offered a provisional Affidavit Ballot only when:

- The voter’s name does not appear on the poll book for any reason;
- The voter is unable to present acceptable photo identification;
- The voter is not able to cast a regular Election Day ballot under a provision of state or federal law but is otherwise qualified to vote;
- The voter is voting as a result of court or other order extending the time for the closing of the polls on Election Day;
- The voter has moved within the county or municipality within 30 days of the election; or
- The voter is a first-time, unverified mail-in voter and does not have a HAVA-approved form of identification.  

Other than for these reasons, the voter should be able to cast a regular ballot. A provisional ballot should be a last resort.

After voting by provisional Affidavit Ballot, a Poll Manager will place the Affidavit Ballot in an envelope. The affidavit is printed and written on the envelope itself. The affidavit envelope must include: the name of the voter, the voter’s address (current and, if moved, previous), telephone number (if the voter has one), a statement of the voter’s belief that they are registered to vote in the jurisdiction, the signature of the voter, and the signature of one of the Poll Managers.

The Poll Manager must give the voter written instructions on how to find out if their Affidavit Ballot was counted. A provisional Affidavit Ballot may be rejected for the following reasons (this list is not exclusive):

- the voter is not a registered voter of the county;
- failure of both the voter and Poll Manager to sign the affidavit envelope;
- the voter is casting a ballot in a precinct in which they are not entitled to vote; or

---

● failure to: (1) present an acceptable form of photo ID, (2) obtain the free Mississippi Voter ID card, or (3) complete an Affidavit of Religious Objection in the Circuit Clerk’s office within five business days after Election Day.\(^\text{82}\) (See Question 3.)
