REGISTERING TO VOTE

1. **ELIGIBILITY:** Can I register to vote?

The voter can register to vote online, in person, or by filling out a paper registration form 21 days before Election Day. For the 2024 general election, this date is October 15, 2024.¹

¹ See 2024 General Election Timeline, <https://nj.gov/state/elections/assets/pdf/chrons/2024-chron-general-election.pdf>.

To register to vote in New Jersey, the voter must be:

- A United States citizen;
- At least 17 years old, though the voter may not vote until they have reached the age of 18;
- A resident of the county for 30 days before the election;
- Not incarcerated as a result of a felony conviction under state or federal law.²

2. **PRIMARY ELECTION:** [Can I vote in the primary election? Do I need to be registered with a political party? Can I change my party registration to vote in another party's primary election? When I voted, the poll worker asked my party affiliation. Are they allowed to do that?](#)

Primaries are semi-closed under New Jersey law. To vote in a primary election, a voter must be registered as either a Democrat or a Republican and may vote only in their party's primary. A voter may either declare a party affiliation on the voter registration form or by filing a political party affiliation declaration form with the municipal clerk or the county commissioner of registration.³

A registered voter who has never voted in a primary and never declared a party affiliation may do so by completing a political party affiliation declaration form at a polling place during early primary voting or on Primary Election Day. A voter who has previously declared a party affiliation or voted in a primary may not, however, change their affiliation during the primary election. To switch party affiliation, a voter must complete a new political party affiliation declaration form and file it with the municipal clerk or the county commissioner of registration at least 55 days before the primary election.⁴

A voter who has affiliated with a party and is on the default vote-by-mail list, meaning that the voter generally receives a vote-by-mail ballot for all elections (see [Question 31](#)), will receive their party's primary ballot by mail. An unaffiliated voter may also vote using a vote-by-mail ballot in a primary election, but only if the unaffiliated voter first submits a political party affiliation declaration form to the municipal clerk or the county commissioner of registration and requests a vote-by-mail ballot by the deadline to apply for such a ballot.⁵

The law requires county commissioners of registration to publish a notice in newspapers in each municipality in their counties informing them, among other things, that unaffiliated default vote-by-mail voters will receive a political party affiliation declaration form and providing them with information on how to affiliate with a political party and how to vote by mail or in person at a polling place on the day of a primary election.⁶ This notice-by-publication must take place once during each of the two calendar weeks preceding the week of the 55th day before the election.⁷

To confirm a voter's party affiliation for the purpose of primary voting, a poll worker may ask a voter about their affiliation, but a poll worker may not attempt to discover how a voter voted on a ballot, threaten, or intimidate a voter, or obstruct or interfere with a voter's ability to vote.⁸

3. **STATUS:** Am I registered to vote?

Voters can determine whether they are registered to vote by checking the New Jersey Division of Elections' website and clicking on the "[Am I Registered](#)" tab.

Alternatively, they can call 1-877-NJ-VOTER (1-877-658-6837).

4. **HOW:** How do I register to vote? Can I register online? Do I need a printer? Can I register to vote in person?

Eligible voters who wish to register must fill out their county's voter [registration form](#). Forms are available [online](#). For voters without a printer, forms can be picked up from the [Division of Elections](#), the [Commissioners of Registration](#) office in the county where the voter lives, or from a voter's Municipal Clerk.⁹

The registration form can be submitted in a number of ways:¹⁰

- Eligible voters may [register online](#).¹¹ To register online, the voter may need to provide a digital signature, depending on the type of identification provided (see [Question 5](#)). A voter does not need a printer to register online.
- A registration form can also be returned by mail or delivered in person to the voter's [county commissioner of registration or superintendent of elections](#).¹²
- Eligible voters may also register to vote in person when applying for a driver's license or identification at a Motor Vehicle Commission agency, or while applying for services or assistance administered by certain public agencies.¹³

5. **IDENTIFICATION:** What ID is required to register to vote?

The New Jersey voter registration form asks all registrants to provide a New Jersey driver's license number, Motor Vehicle Commission (MVC) non-driver identification number, or the last four digits of a Social Security number, or to swear or affirm that they do not have any such number.¹⁴ Individuals who register by mail and who cannot provide one of the requested numbers must present a copy of an acceptable form of identification at the time of registration or at any time before voting.¹⁵ Acceptable identification includes either a current and valid photo identification (e.g., New Jersey driver's license, military or other government identification, student or job identification, store membership card, U.S. Passport), or any current document with the voter's name and address such as a bank statement,

paycheck, rent receipt, sample ballot, utility bill, government check or document, car registration, non-photo driver's license, or any other official document.¹⁶

Online registration requires one of the following forms of identification: New Jersey driver's license number, MVC non-driver identification number, or Social Security number.¹⁷ If an eligible voter does not have any of these forms of identification, the voter will need to register by mail or in person using the process described above. Voters who use a Social Security number as identification must be able to sign the application on-screen or upload a digital signature to register online, but voters who use a driver's license or other MVC identification do not need to include a digital signature.¹⁸

6. **DEADLINES:** [When is/was the voter registration deadline? Are there different deadlines whether I register by mail, in-person, online or on Election Day?](#)

The registration deadline is 21 days before Election Day.¹⁹ Registration forms have to be either postmarked or delivered in person by this date.²⁰

The registration deadline for the 2024 general election on November 5, 2024, is **October 15, 2024**.²¹ Registration forms must be postmarked, delivered in person, or completed online by this date.²²

7. **SAME DAY:** [Does my state have Same Day Registration? If so, what is the process?](#)

No. New Jersey does not have same-day registration. The registration deadline is 21 days before Election Day.²³ For the 2024 general election on November 5, 2024, the registration deadline is **October 15, 2024**.²⁴

8. **PERMANENT MOVE:** [I have moved permanently and I didn't update my voter registration, can I vote?](#)

For a voter who has made a permanent move, eligibility to vote will depend on whether the voter moved within the same county/election district or moved to a new county.²⁵ The chart below explains.

Moved within the same district	Moved to a different district in the same municipality or to a different municipality in the same county	Moved to a different district in a different county	Moved from a different state

9. TEMPORARY MOVE: I have moved temporarily. How can I vote?

If the voter is living in a place where they have no intention of remaining, intending instead to return shortly to a permanent residence in New Jersey, the voter need not re-register and may vote as usual at their place of permanent residence.³¹

If the voter moved temporarily and wants to vote in the temporary location, the voter may do so if they actually live there, are interested in and concerned with that local community, and assert in good faith that they plan to vote there and no place else.³² In that case, they must register to vote in the temporary location. If they failed to change their registration, consult the table in [Question 8](#).

Voters that have moved temporarily can also request to vote by mail. While some states allow voters who have moved temporarily to request an absentee ballot, the term “absentee ballot” was changed in July 2009 in New Jersey and was replaced by the Vote-By-Mail ballot law that allows voters to request a ballot by mail for any reason.³³ Any voter may apply for vote-by-mail by completing an Application for

²⁹ In *Afran*, the New Jersey Supreme Court noted that the state legislature “may require a special absentee ballot for the 30-day inter-county voter,” 244 N.J. Super. at 237, but the Legislature has not designated a special ballot for *Afran* voters. They can therefore vote by regular ballot so long as they remain in the poll books in their former county of residence. If they are no longer in the poll books, they will be asked to vote by provisional ballot, and it is not clear what steps will be necessary to ensure the ballot is counted. *Afran* voters who are asked to cast provisional ballots should call the county board of elections to explain the situation.

Vote-By-Mail Ballot and returning the application to their County Clerk.³⁴ After the voter completes their Vote-By-Mail Ballot, they may return the ballot by one of three ways: mail it back, place it in one of their county’s Secure Ballot Drop Box Locations, or return it to their County Board of Elections Office.³⁵

10. STUDENT: [I am a college student. Can I register to vote where I go to school? What if I am taking classes remotely? Where can I vote?](#)

College students may register to vote from either their college address or their primary residence (e.g., their parents’ home).³⁶ This is true regardless of whether the college student intends to reside permanently in New Jersey.³⁷ The students must meet the generally applicable standards (i.e., must be at least 17 years old (though they cannot vote until they turn 18), a U.S. citizen, a resident in the district in which they intend to vote, a resident of the county for 30 days before the election, and not otherwise disqualified from voting).³⁸

College students who have moved temporarily can also request to vote by mail. While some states allow voters who have moved temporarily to request an absentee ballot, the term “absentee ballot” was changed in July 2009 in New Jersey and was replaced by the Vote-By-Mail ballot law that allows voters to request a ballot by mail for any reason.³⁹ Any voter may apply for vote-by-mail by completing an Application for Vote-By-Mail Ballot and returning the application to their County Clerk.⁴⁰ After the voter completes their Vote-By-Mail Ballot, they may return the ballot by one of three ways: mail it back, place it in one of their county’s Secure Ballot Drop Box Locations, or return it to their County Board of Elections Office.⁴¹

11. LIVING ABROAD: [I am living abroad and/or serving in the military. How can I register and/or vote?](#)

There are several ways in which eligible voters in the military and/or overseas may register to vote. Like other voters, they may fill out and mail a New Jersey [voter registration form](#), which must be postmarked by October 15, 2024 (21 days before the date of the 2024 general election), or they may [register to vote online](#) by that date if they have the appropriate identification. They can also fill out a [Federal Post Card Application](#), which must be received by October 15, 2024 (21 days before the date of the 2024 general election), whether returned by mail, email, or fax.⁴²

The [Federal Post Card Application](#) allows eligible military or overseas voters to simultaneously register and request their absentee ballot. However, if an eligible voter registers with a state voter registration form, the voter must separately [apply for a vote-by-mail ballot](#) by October 29, 2024.⁴³

There are also several ways in which military and overseas voters may receive their ballots, including by air-mail, fax, or email.⁴⁴ When returning a completed ballot by mail, a military or overseas voter must ensure that it is postmarked on or before November 5, 2024—the date of the 2024 general election.⁴⁵ A mailed ballot must be received by the county board of elections within six days or 144 hours after the polls close on Election Day.⁴⁶ Because international mail can be slower than that, it may be safer for a military or overseas voter to fax or email a completed ballot, in which case it must be received by the appropriate county board of elections by 8:00 p.m. local time (Eastern Standard Time for U.S. & Canada) on November 5, 2024 (*i.e.*, by the close of polls), and the voter must also air-mail the original ballot to the county board of election.⁴⁷

Voters who timely apply but do not receive their state mail-in ballot may also use a [Federal Write-In Absentee Ballot \(FWAB\)](#).

To get a FWAB, go to: <https://www.fvap.gov/>. The voter can email or fax their FWAB to their county board of election. If the voter faxes or emails the ballot, they must also sign and send the "Transmission Cover Sheet."⁴⁸ This cover sheet constitutes a waiver of secrecy because the ballot is not being sent in a sealed envelope. Election officials are still legally prohibited from disclosing anyone's vote.

Only convictions for felonies (also called "indictable offenses" in New Jersey) result in loss of the right to vote and only while the person is incarcerated.⁴⁹ Once a person with a felony conviction is released from incarceration, the person must complete a new voter registration form and mail or hand-deliver it by the registration deadline of October 15, 2024 (21 days before the 2024 general election).⁵⁰ Neither pretrial detainees nor persons with misdemeanor convictions (also called "disorderly persons offenses" in New Jersey) are disqualified from voting.⁵¹

Check the resources at Campaign Legal [Restore Your Vote](#) for latest information.

A voter who is currently incarcerated after being convicted of a felony (also called an "indictable offense" in New Jersey) is not permitted to vote.⁵²

Pretrial detainees who have not yet been convicted and persons with misdemeanor convictions (also called “disorderly persons offenses” in New Jersey) are not disqualified from voting.⁵³ Like all other qualified voters, those serving jail time in pretrial detention or on misdemeanor convictions may apply for and cast a vote-by-mail ballot. They must [apply for a vote-by-mail ballot](#) by the application deadline: October 29, 2024, for the 2024 general election.⁵⁴

14. **REGISTRATION CHALLENGED:** [My registration has been challenged, what should I do?](#)

New Jersey law allows candidates and political party officials to appoint challengers.⁵⁵ Ordinarily, only one challenger for any party, candidate, or public question may be present in the polls at a time, and all challengers must wear a badge identifying the person or party for which the challenger is acting.⁵⁶ They have a right to be present while votes are counted and to challenge the qualification or rejection of any ballot.⁵⁷

Challengers may not challenge voters directly, as only election officials may ask the voter questions.⁵⁸

Challengers are authorized to challenge the right of a voter to cast a ballot, specifically challenging that they are a) not 18, b) not a United States citizen, c) not a resident of the district they are voting in, or d) not registered.⁵⁹ The challenger will have to state the basis for that challenge, and swear or affirm the basis for the challenge in an affidavit.⁶⁰

Challengers may not challenge votes on the basis of the voter’s race, color, national origin, expected manner of casting a vote, or place of residence, except to challenge whether the voter lives in that particular election district at all.⁶¹

If a voter’s right to vote is challenged, the poll workers may ask the voter to provide identification and sign an affidavit that the voter is qualified to vote. The voter is entitled to establish their right to vote by (i) signing an affidavit (on a form the poll workers should have) stating the voter’s qualifications to vote and (ii) presenting their identification (e.g., a valid NJ driver’s license, sample ballot with voter’s name and address, official government document with the voter’s name and address, a recently dated utility or telephone bill or tax or rent receipt, or a piece of mail postmarked on or after the 60th day before Election Day (September 6, 2024, for the 2024 general election)).⁶²

If the County Board of Elections votes to reject the challenge or there is a tie on the vote to challenge, the voter may vote by regular ballot. If the board votes to uphold the challenge, the voter cannot vote but has the right to go before a Superior Court judge to request a court order to vote. The poll workers must tell the voter where to go to see the judge. The voter does not need to file any papers in advance but should take to the courthouse: (i) a copy of the affidavit they signed at the polling place when

challenged, (ii) a copy of their identification, and (iii) a copy of the challenger's affidavit. The voter may appear on their own or with counsel and will testify under oath about their qualifications to vote. If the judge finds facts demonstrating the voter is qualified to vote, the judge will grant the application and provide the voter with written authorization to vote on that day.⁶³ The voter can then take this court order back to the polling place and vote.

HOW TO VOTE: ELECTION DAY

15. **HOURS:** When do the polls open/close on Election Day?

The polls must be open from 6:00 a.m. to 8:00 p.m. Eastern Time on Election Day.⁶⁴ Any voter who is in line by 8:00 p.m. is entitled to cast a ballot.⁶⁵

16. **POLLING LOCATION:** Where do I vote on Election Day?

Voters can determine their proper polling place using the [Election Day Polling Place Search Tool](#).

If a voter has moved recently and has not updated their voter registration, refer to [Question 8](#) and [Question 9](#).

17. **TIME OFF WORK:** Is my employer required to give me time off to vote? Is it paid or unpaid?

No, an employer is not required to give an employee time off to vote, but polls are open from 6 a.m. to 8 p.m., which should give most voters a chance to get to the polls before or after work. Early voting, including on weekends, is also available. See [Question 27](#).

18. **CLOSING:** What if the polls close when I am already in line?

The polls must be open from 6:00 a.m. to 8:00 p.m. Eastern Time on Election Day.⁶⁶ Stay in line. Any voter who is in line by 8:00 p.m. is entitled to cast a ballot.⁶⁷

19. **IDENTIFICATION:** What identification is required to vote?

New Jersey voters will need to produce and show identification only in the following circumstances:

First, a first-time voter who registered by mail and did not provide an accurate driver's license number, non-driver identification number, the last four digits of a Social Security number, or acceptable identification at that time must present identification at the polling place on Election Day in order to vote by regular ballot.⁶⁸ Acceptable identification includes either a current and valid photo identification (e.g.,

New Jersey driver's license, student or job identification card, store membership card, U.S. passport, military identification), or any current document with the voter's name and address such as a bank statement, paycheck, rent receipt, sample ballot, utility bill, government check, car registration, or non-photo driver's license.⁶⁹ First-time voters who do not have the requisite identification may still cast a provisional ballot and must complete the written affirmation on the provisional ballot.⁷⁰ For the provisional ballot to count, the first-time voter must provide proper identification to the county commissioner of registration by the close of business on the second day after the election.⁷¹

Second, voters who personally deliver their vote-by-mail ballots to their county boards of elections will be asked for identification to verify that they are the voter who cast the ballot.⁷² The forms of identification specified above will suffice so long as they include the full address and signature of the voter. The voter must also sign a book in which the board records all vote-by-mail ballots that are personally delivered.⁷³

Third, voters who have been challenged may need to present identification. See [Question 14](#).

20. NO IDENTIFICATION: *Can I vote without providing identification?*

Typically, yes, *unless* the circumstances described in [Question 19](#) apply.

21. NOT ON ROLLS AT MY POLLING PLACE: *I am at my polling place but am not showing up on the voter registration roll. Can I vote where I am?*

Voters should [verify that they are in the correct district](#). In addition, if the voter is in the correct polling place, a poll worker should be able to double-check the district list.⁷⁴ New Jersey poll workers have lists only for their own election districts; they do not have master lists for the whole state.⁷⁵ If the voter does not appear on the district list, the voter should ask the poll worker to check the "street list" to see if the voter's address falls within a different election district in the county.

If the poll worker says a voter is not eligible to vote, a voter who believes otherwise may vote by provisional ballot after completing the affirmation statement.⁷⁶ However, a provisional ballot will not be counted unless it is later determined that the voter is eligible to vote.⁷⁷ If the provisional ballot is cast in a district where the voter is not registered, only the votes for those offices and questions for which the voter is qualified to vote will be counted.⁷⁸

22. GIVEN PROVISIONAL BALLOT: I am being told I have to vote provisionally, what does that mean?

Provisional ballots are paper ballots that are used at the polling place on Election Day. Poll workers should use provisional ballots only when there is some legitimate question about the voter’s eligibility to vote at the polling place (or the voter has moved; see [Question 8](#) and [Question 9](#)). When a voter casts a provisional ballot, they can participate in the election, deferring the eligibility concerns to be addressed later. If, after the election, election officials determine that the voter is eligible to vote, the provisional ballot will be counted.⁷⁹

[See Question 24: Provisional Ballot Next Steps](#)

23. REQUESTING PROVISIONAL BALLOT: I am being told I can’t vote, can I vote provisionally?

A voter whose name is not on the rolls may request and complete a provisional ballot, but the ballot will be counted only if election officials conclude that the voter was qualified to vote.⁸⁰

The following individuals must vote by provisional ballot:

- A registered voter who moved to a new election district within their county and did not notify the County Commissioner of Registration before Election Day of their new address must vote provisionally in the new district⁸¹;
- A voter whose registration information is not complete in the poll book, for example their signature or address is missing, must vote provisionally⁸²;
- A first-time voter who did not provide proper identification information when they registered must vote provisionally and must present identification to their county commissioner of registration within two days after the election⁸³; and
- A voter who applied for a vote-by-mail ballot but did not receive it or did not complete it must vote provisionally.⁸⁴

See [Question 24: Provisional Ballot Next Steps](#)

24. PROVISIONAL BALLOT NEXT STEPS: I voted a provisional ballot, what now?

Provisional ballots are counted before the first Monday after the election. The voter can call 1-877-NJ-VOTER (1-877-658-6837) to check the status of their provisional ballot. The voter can also track their ballot [online](#).

If a first-time voter voted provisionally because they could not present proper identification at the polls, the voter must provide proper identification to the county commissioner of registration by the close of business on the second day after the election. See [Question 19](#).

HOW TO VOTE: IN-PERSON EARLY VOTING

(in this state defined as: casting a ballot in person during a designated voting period before Election Day)

25. AVAILABILITY: Is there early voting in my state (whether called early voting or in person absentee voting)?

Yes. New Jersey allows all registered voters to cast a ballot in person before Election Day.⁸⁵ For the 2024 general election, early voting will be held from Saturday, October 26 through Sunday, November 3.⁸⁶ Early voting sites in each county will be open on Mondays through Saturdays from at least 10:00 a.m. to 8:00 p.m. and on Sunday from at least 10:00 a.m. to 6:00 p.m.⁸⁷ No appointment is necessary.⁸⁸

26. ELIGIBILITY: Do I have to have a reason to vote early?

No. So long as the voter is registered to vote, there are no eligibility requirements for in-person early voting.⁸⁹

27. WHEN: When does early voting begin/end?

For the 2024 general election, early voting will be held from Saturday, October 26 through Sunday, November 3.⁹⁰ Any registered voter in line at the time scheduled for the closing of an early voting site must be permitted to vote.⁹¹

28. WHERE: Where do I vote during early voting?

Registered voters can vote at any early voting site in their county.⁹² Early voting locations may vary from a voter's polling location on Election Day.⁹³

Early voting locations will be posted [here](#).

Identification is required only in unusual circumstances. Registered voters typically do not need to provide an ID when they vote, with certain exceptions (i.e., first-time voters or voters who personally deliver their vote-by-mail ballot to the county). See [Question 19](#).

30. ASSISTANCE: What if I need assistance voting early in person?

For information on assistance with voting, see Questions [76](#), [77](#), and [78](#).

HOW TO VOTE: VOTE BY MAIL **(in this state defined as applying for and casting a vote-by-mail ballot)**

31. AUTOMATIC MAIL BALLOT: Will I automatically be sent a ballot in the mail?

Every active registered voter is eligible to receive a vote-by-mail ballot by applying for one.⁹⁴ When filling out the [vote-by-mail application](#), the voter can elect whether to be placed on the default vote-by-mail list going forward (i.e., they will receive a vote-by-mail ballot for all future elections) or instead to receive a vote-by-mail ballot only for a specific upcoming election.⁹⁵

A voter can check whether they are on the default vote-by-mail list by going to the [Track My Ballot site](#), creating or opening their personal voter record account, and checking their mail-in ballot history. To create an account on this site, a voter will need their driver's license number, the last four digits of their Social Security number, or their Voter ID number. They can find their Voter ID number by [checking their voter registration status online](#). Alternatively, the voter can call their [county clerk](#).

If a voter no longer wants to receive a vote-by-mail ballot automatically, the voter must notify the appropriate county clerk's office in writing.⁹⁶

Voters on the default vote-by-mail list who fail to vote by mail for four consecutive years are removed from the list after being notified in writing of the change.⁹⁷

32. ELIGIBILITY: Do I need a specific reason to vote by mail?

A voter does not need any special reason to vote by mail. Anyone can apply.⁹⁸ Applications are available [online](#) to download and print.

33. APPLICATION DEADLINE: What is the deadline for requesting a mail-in ballot?

By Mail – October 29: A voter who mails a vote-by-mail application to the county clerk must do so in time for the clerk to receive the application seven days prior to the election. For the 2024 general election it must be received by the clerk by October 29, 2024.⁹⁹ This gives the county clerk time to mail the ballot to the voter before the election a week later.

In Person – November 4, 3:00 p.m.: A voter may request, complete, and return a vote-by-mail application in person at the county clerk by the day before the election, at 3:00 pm. For the 2024 general election it must be received by the clerk by November 4, 2024, at 3:00 p.m.¹⁰⁰

34. APPLICATION ASSISTANCE: [Can someone assist me with filling out the application?](#)

While no New Jersey law expressly permits a voter to receive assistance in completing a vote-by-mail application, such assistance appears not to be prohibited. The law expressly permits a voter to receive the assistance of a family member to open, mark, inspect, and seal a vote-by-mail ballot.¹⁰¹ A person who votes at a polling location is also entitled to assistance. See [Question 76](#). It is reasonable to infer, therefore, that a voter completing a vote-by-mail application may also receive assistance.

35. APPLICATION RETURN: [How do I submit my mail-in ballot application? Can someone return it for me? Does it have to be postmarked by a specific date?](#)

A voter can return a vote-by-mail application by mail or in person to [the voter’s county clerk](#).¹⁰² For the November 5, 2024 election, a voter must mail the application in time for the county clerk to receive it by October 29.¹⁰³ A voter may also deliver the application and pick up a vote-by-mail ballot in person at the county clerk’s office by November 4 at 3:00 p.m.¹⁰⁴

The law permits a voter to use an authorized messenger or “bearer” to deliver a completed vote-by-mail application. A voter who uses a messenger/bearer must print that person’s name and address where shown on the application form. The messenger/bearer must be a family member or a registered voter of the county where the application is made and must show identification, sign the application upon delivering it to the county clerk, and swear to deliver the ballot to the voter. A messenger/bearer may not deliver applications and pick up ballots for more than three qualified voters in an election, except that a messenger/bearer may deliver applications for up to five qualified voters in an election if those voters are immediate family members who live in the same household as the messenger/bearer.¹⁰⁵

¹⁰⁵ N.J. Stat. Ann. § 19:63-4.

Only “active” and duly registered voters can vote by mail.¹⁰⁶ Vote-by-mail applications for “inactive” voters and voters with incomplete registration will be rejected. Therefore, if a voter has “inactive” status, usually because of questions about their address, see [Question 83](#), the voter will need to correct that before applying to vote by mail. Similarly, if the voter’s registration is incomplete—including in instances where a first-time voter has not yet presented proper identification, see [Question 19](#)—the voter will need to correct that before applying to vote by mail.

Voters who are permitted to vote by mail do not need to provide a copy of their ID to cast their vote-by-mail ballots. Voters who drop off their vote-by-mail ballots in person, however, will need to show identification. See [Question 19](#).

37. RECEIVING MAIL BALLOT: Does the ballot have to be sent to my home, or can I have it sent somewhere else? What if I don’t have a home address or my address is a PO Box?

A voter can have their mail-in ballot sent to a secondary address, i.e., an address different from the one where they are registered to vote.¹⁰⁷ The secondary address may be a PO Box.¹⁰⁸

If the voter has no home address, see [Question 84](#).

38. MISSED THE APPLICATION DEADLINE: What if I have not requested a mail-in ballot by the deadline?

A voter may request a vote-by-mail application in person at their county clerk’s office by 3:00 p.m. on the day before the election. For the 2024 general election, it must be requested by November 4, 2024 at 3:00 p.m.¹⁰⁹ Otherwise, a voter can vote in person on November 5 at their designated polling place.

39. STATUS OF APPLICATION AND/OR BALLOT: How can I check the status of my application and/or mail-in ballot?

A voter can track their ballot online by setting up a [voter record account](#) on the New Jersey Voter Information Portal.¹¹⁰ To set up an account, the voter must provide their driver’s license number, the last four digits of their Social Security number, or their Voter ID number. The voter can find their Voter ID number by [checking their voter registration status online](#). Once the voter has an account, they can click “Mail-in Ballot History” to track their ballot.

Voters can also track their ballot by contacting their [county clerk](#) or by calling 1-877-NJ-VOTER (1-877-658-6837). If their ballot was not counted, they can find out why it was rejected.

40. APPLICATION OR BALLOT REJECTED: I learned my mail-in ballot application and/or ballot was rejected. What can I do to fix any errors or get another one?

New Jersey's Ballot Cure Act requires voters to be notified if there is an issue with the signature on their submitted vote-by-mail ballot.¹¹¹ They are then given an opportunity to cure the defective ballot. The voter will have until 11 days after Election Day to cure their ballot; in 2024, this deadline will be November 16.¹¹²

41. COMPLETING BALLOT: How do I complete the mail-in ballot?

The voter can see step-by-step instructions [online](#). Voters do not have to vote for every election contest or race if they don't want to. Here are basic instructions:

- Fill in only one circle for each race or question.
- Use blue or black ink and fill in the circles completely.
- Put the ballot inside the ballot envelope.
- Do not detach the affirmation on the flap!
- Seal the ballot envelope, and complete and sign the affirmation.
- Put the ballot envelope inside the envelope addressed to the county board of elections.¹¹³

For voters who mail their ballots, some counties require the voter to add postage, and some do not. A voter will need to check with their [county clerk](#).

There are no identification requirements to complete a vote-by-mail ballot. However, the voter's signature on the certification will be compared to the signature the board of elections has on file for the voter. The voter must also sign the certification printed on the margin of the flap affixed to the inner envelope of the mail-in ballot.¹¹⁴ Again, do not detach this flap!

If a voter decides to drop their vote-by-mail ballot off in person at the county board of elections, see [Question 19](#) for identification requirements.

42. ASSISTANCE COMPLETING BALLOT: Can someone assist me in filling out my ballot?

A family member may assist the voter to open, mark, inspect, and seal a vote-by-mail ballot. The family member must print and sign their name in the space provided on the ballot to certify that they assisted and that they will maintain the secrecy of the ballot. A candidate (even one who is a family member) may not assist a voter, and a person may not campaign or electioneer on behalf of any voter while providing assistance.¹¹⁵

43. DEADLINE TO RETURN BALLOT: What is the deadline for the ballot to be received? Does it have to be postmarked by a specific date? Can I drop it off in person?

Voters cannot bring their voted ballot to the polling place on Election Day or during early voting. However, there are multiple ways to return and cast vote-by-mail ballots prior to and on Election Day, including in-person delivery.

- **Postmarked on or before Election Day:** Voters who mail their vote-by-mail ballots must ensure that they are postmarked on or before November 5, 2024, and the ballot must be received by the voter’s county Board of Elections on or before November 11, 2024, by 8:00 p.m.¹¹⁶ If the ballot is missing a postmark, it will still be counted if the Postal Service delivers it within 48 hours after the polls close on November 5.¹¹⁷ In some counties, vote-by-mail ballots come with prepaid return envelopes, but in others, voters must use a stamp.¹¹⁸ A voter can [call their county clerk](#) to find out about their own county.
- **Drop boxes by 8:00 p.m., November 5:** Voters can drop the ballots in secure drop boxes before 8:00 p.m. on November 5.¹¹⁹ Each county must provide at least 10 secure ballot drop boxes, and they must be available for at least 45 days prior to the election.¹²⁰
- **Hand delivery by 8:00 p.m., November 5:** A voter may hand-deliver a vote-by-mail ballot to the county board of elections (not to a polling place) on any day up to and including Election Day so long as it is received by 8:00 p.m. on November 5. (For identification requirements, see [Question 19](#)).¹²¹
- **Delivery by authorized messenger/bearer:** A person who transports a completed vote-by-mail ballot for someone else is considered a “bearer.” Bearers are limited to three ballots per election for non-members of the household and up to five ballots per election for family members who live in the same household as the bearer.¹²² The bearer must sign the “Bearer Portion” of the outer envelope of the ballot in the presence of the voter when taking custody of the ballot. By signing, the bearer certifies that he or she received a mail-in ballot directly from the voter, and no other person, and is authorized to deliver the ballot to the appropriate board of elections on behalf of the voter.¹²³ The bearer may deliver another voter’s ballot only to a county board of elections, a secure ballot drop box, or USPS mailbox – not to a polling location on Election Day.¹²⁴ If the bearer is hand-delivering the ballot to the county board of elections, then he/she must show identification and sign the Bearer Book at the county board of elections.¹²⁵

Voters can find their county clerk’s office [here](#). The locations of ballot drop boxes will be listed [here](#).

45. ASSISTANCE DROPPING OFF BALLOT: Can someone else drop off my completed ballot for me?

Yes. See [Question 43](#).

46. LOST OR SPOILED BALLOT: What if I lost my mail-in ballot, made a mistake on it (spoiled it), or I received an incorrect ballot?

If a voter loses or spoils their vote-by-mail ballot, or receives an incorrect ballot, the voter may either: (1) request a replacement ballot from the county clerk's office,¹²⁶ or (2) cast a provisional ballot at their polling location on Election Day.¹²⁷

47. NON-RECEIPT OF BALLOT: What if I requested a mail-in ballot but have not received it? What are my options for voting?

Counties will begin mailing vote-by-mail ballots to voters 45 days before an election (September 21, 2024), but some counties will begin before then.¹²⁸ If a vote-by-mail ballot did not arrive, the voter may either: (1) go to the county clerk's office to get a replacement ballot,¹²⁹ or (2) cast a provisional ballot in person at their polling location on Election Day.¹³⁰

48. IN PERSON OPTION: What if I requested or received a mail-in ballot but I want to vote in person on Election Day?

If a voter is registered to vote by mail but prefers to vote in person, the voter may opt out of receiving a vote-by-mail ballot.¹³¹ A voter can check whether they are on the default vote-by-mail list by going to the [Track My Ballot site](#), creating or opening their personal voter record account, and checking their mail-in ballot history. To create an account on this site, a voter will need their driver's license number, the last four digits of their Social Security number, or their Voter ID number. They can locate their Voter ID number by [checking their voter registration status online](#). Alternatively, the voter can call their [county clerk](#). If a voter no longer wants to receive a vote-by-mail ballot automatically, the voter must notify the appropriate county clerk's office in writing.¹³²

Voters who do not opt out in time may cast a provisional paper ballot in person at an early voting location or on Election Day if they have not returned their mail-in ballot to their county board of elections.¹³³

POLLING PLACE ISSUES

65. **POLLING PLACE NOT OPEN:** The polling place is not open. What should I do?

The voter should refer to their county board of elections website or the [New Jersey Division of Elections polling place locator](#) to determine the operational polling place to which the voter is assigned. Voters should immediately call 866-OUR-VOTE to report a polling place that should be open but is not.

66. **LONG LINES:** There are long lines at the polling place. What should I do? What if the polls are closing while I'm in line?

The polls must be open from 6:00 a.m. to 8:00 p.m. Eastern Time on Election Day.¹³⁴ Any voter who is in line by 8:00 p.m. is entitled to cast a ballot.¹³⁵

¹³⁴ N.J. Stat. Ann. § 19:15-2.

¹³⁵ N.J. Stat. Ann. § 19:15-9.

67. **EQUIPMENT FAILURE:** What should I do if there are equipment problems at my precinct?

Voters should immediately notify poll workers if the voting equipment breaks down and call 866-OUR-VOTE to report issues.

If the equipment at a polling place is not functioning, poll workers should not turn voters away. Instead, they should give voters emergency ballots, which are paper ballots supplied to all polling places for this purpose.¹³⁶ Note that emergency ballots are different from provisional ballots, which should be used only when the voter’s qualifications are in question. See [Question 22](#).

68. **CAMPAIGNING:** What rules apply to people campaigning or “hanging around” my polling place? What counts as campaigning or electioneering? Can people approach me?

New Jersey prohibits electioneering, otherwise trying to influence voters, or distributing materials within the polling place, within 100 feet of the entrance to the polling place, or within 100 feet of a ballot drop box in use during an election.¹³⁷

Electioneering or campaigning include any written or verbal communication that could be interpreted as trying to sway a voter’s opinion in support of, or in opposition to, a candidate, campaign, party, or public question on a ballot.¹³⁸ Among other things, a person may violate the law by wearing campaign hats, t-shirts, masks, or buttons; displaying campaign signs or bumper stickers; distributing campaign materials; or conducting signature or petition drives in a protected zone.¹³⁹

If voters encounter electioneering/campaigning within 100 feet of the entrance to a polling place or drop box, they should notify poll workers and call 866-OUR-VOTE.

69. **VOTER CONDUCT:** What am I prohibited from wearing or doing in a polling place? Can I take photos inside?

A voter may not electioneer or campaign at a polling place. See [Question 68](#). A voter may wear a mask to vote so long as the mask displays no words or symbols supporting or opposing candidates, parties, or public questions.¹⁴⁰

A voter may not (i) tamper, deface, or interfere with any polling booth or polling place, (ii) obstruct the entrance of any polling booth or polling place, (iii) obstruct or interfere with any other voter, (iv) loiter in or near the polling place, or (v) spend too long in a polling booth for the purpose of obstructing others from voting.¹⁴¹

While there is no New Jersey law that explicitly prohibits voters from taking photographs near or inside a polling place, state election officials have publicly stated that they view voting booth selfies as “a violation of the existing law against disrupting a polling place and identifying a voter’s cast ballot.”¹⁴²

¹⁴² See Kaitlyn Kanzler & Dustin Racioppi, *Tempted to Take That Ballot Selfie? Don’t – They’re Illegal in NJ*, USA Today: North Jersey (Nov. 6, 2018),

They seem to be relying on general laws against obstructing or delaying the voting process,¹⁴³ as well as a more specific provision that prohibits voters from “show[ing]” their ballots.¹⁴⁴

70. **POLL WORKER CONDUCT:** What is a poll worker prohibited from wearing or doing in a polling place?

Poll workers are expected to maintain a neutral, non-partisan, and courteous environment within the polling place to ensure fairness and integrity during the voting process. They should avoid expressing personal opinions or political biases while performing their duties, and they should not accept gifts from candidates or parties during an election.¹⁴⁵ Like voters and everyone else, poll workers are prohibited from engaging in any form of campaigning or electioneering within a polling place or within 100 feet of the entrance to a polling place and therefore may not wear or display any clothing, accessories, signs, or materials that endorse or oppose a candidate, political party, or public question. See [Question 68](#).

71. **INTIMIDATION:** Are there any other specific restrictions on conduct outside of a polling place? What should I do if I feel unsafe or uncomfortable outside the polling place?

There are many prohibitions against intimidating conduct in and around polling places.¹⁴⁶ For example, it is a crime for any person, including an election official or law enforcement officer, to intimidate, threaten, or coerce—or attempt to intimidate, threaten, or coerce—another person for the purpose of influencing or interfering with that person’s or anyone else’s exercise of the right to vote.¹⁴⁷ The use of force, violence, or restraints to interfere with voting rights is also a crime.¹⁴⁸

These laws apply at all times and locations, including, among others, polling places, ballot drop boxes, and the immediate surroundings of both.

New Jersey’s Department of Law & Public Safety provides the following examples of prohibited voter intimidation tactics:¹⁴⁹

- Individuals or groups waiting outside polling places and trying to scare people out of the voting line;
- Individuals standing in unauthorized areas near voting booths and video recording or photographing voters in the polling place;
- Individuals following or harassing voters in the polling place;
- Individuals threatening violence or harm inside or outside of a polling place.

If voters feel unsafe or uncomfortable outside the polling place, they should contact a poll worker. They have primary responsibility for preserving the peace and maintaining good order.¹⁵⁰ County superintendents of elections and their staff may remove from any polling place any person who violates the state's election laws.¹⁵¹ In the rare cases where such action is necessary, these election officials may call upon law enforcement officers to assist with the arrest of individuals who refuse to comply with election laws.¹⁵²

72. **CHALLENGE:** Someone is formally challenging my vote. What should I do?

See [Question 14](#).

73. **POLICE/MILITARY PRESENCE:** There are police/members of the military at the polling place. Is this okay? What should I do?

On-duty police may be present at the polls only at the request of election officials who seek their assistance, and poll workers may request police presence only to respond to a specific emergency, criminal conduct, or disturbance at the polls.¹⁵³ Police may remain at a polling place only as long as such a response demands.¹⁵⁴ Indeed, whether on- or off-duty or in or out of uniform, a police officer may not remain at a polling place or within 100 feet of a polling place except to vote, offer specific assistance at the request of election officials, or travel to or from home if they live within 100 feet of the polls.¹⁵⁵

Members of the military should not be at a polling place unless they are there to vote.¹⁵⁶

74. **THOUGHT I WAS REGISTERED:** My name isn't on the voter registration roll but I thought I was registered. What should I do?

Names can be removed from the list of registered voters only for the following reasons: (i) the voter confirmed in writing that the voter moved out of state; (ii) the voter failed to respond to a mailed confirmation notice from the relevant election official and then did not vote or attempt to vote in two consecutive federal general elections following that failure to respond; (iii) the voter was registered in another county at the same time; (iv) the voter was convicted of a felony and sentenced to a term of incarceration; or (v) the voter died.¹⁵⁷

Any voter whose name was removed from the voter registration list on the basis of a determination of ineligibility who subsequently becomes eligible to vote must re-register in order to be restored to the statewide voter registration system.¹⁵⁸

¹⁵⁸ N.J. Stat. Ann. § 19:31-19.

Note that you can take steps to help to determine why a voter's name is not appearing on the list of registered voters:

- Check the voter's registration status using the [registration lookup tool](#) to make sure the voter is registered to vote and the [polling place search](#) to make sure the voter is at the right polling location.
- Has the voter moved recently? Could the voter be registered at an old address? Check that address in the [registration lookup tool](#).
- Has the voter had a name change recently, or could the voter be registered under a different name? Check that name (and any variations of the voter's name, especially for hyphenated names, which sometimes trip up databases) in the [registration lookup tool](#).
- When/where did the voter register to vote? Was that before the deadline?

75. **PROVISIONAL BALLOT:** I have been offered a provisional ballot. What should I do?

To assist a voter with provisional ballot questions, see Questions [22](#), [23](#), [24](#).

ACCESSIBILITY/ASSISTANCE

76. **EQUIPMENT ASSISTANCE:** I don't know how to use the voting equipment. Can I get help?

Instructions on the proper operation of the voting machines must be posted and/or made available at the polling place.¹⁵⁹ Two members of the county board of elections of opposite political affiliations may assist a voter who is disabled or unable to read or write in marking the voter's choices or helping the voter to mark their choices on the ballot.¹⁶⁰ Alternatively, such a voter may designate someone of their own choice to assist them, except that the voter's employer, an agent of the employer, or an officer or agent of the voter's union may not provide assistance.¹⁶¹

77. **PHYSICAL DISABILITY:** I have a physical disability and need assistance. Is my polling place ADA compliant? Does my voting location have an accessible voting system?

All polling places and all voting systems in New Jersey must be accessible to voters with disabilities.¹⁶² If there is a problem with accessibility, the voter can [contact their county election officials](#) for a referral to a nearby accessible location, [report the problem to the state](#), and/or call 866-OUR-VOTE. [Disability Rights New Jersey](#) also runs a hotline to assist voters with disabilities. Voters can call 866-493-0023 or email voterhotline@disabilityrightsnj.org.

78. **READING/LANGUAGE ASSISTANCE:** I am blind, have a physical disability, or cannot read English and require assistance in order to vote. Can I get assistance at the polls?

¹⁵⁹ N.J. Stat. Ann. § 19:50-2(b); N.J. Admin. Code § 15:10-6.9(a)(3).

A voter who has a disability or cannot read or write is entitled to have a person of their choice (other than the voter's employer, an agent of the employer, or an officer or agent of the voter's union) mark the voter's choices or assist the voter in marking their choices on the ballot.¹⁶³ In addition, assistance can be provided by two members of the county board of elections of opposite political affiliations.¹⁶⁴ The person assisting a voter can enter the voting booth with the voter, if that is the voter's preference.¹⁶⁵

Some counties are required under federal law to provide translations of all voting materials into one or more languages.¹⁶⁶ "Voting materials" include registration or voting notices, forms, instructions, or other materials or information relating to the electoral process, including ballots.¹⁶⁷ The language requirements vary based on the county's population of eligible voters who have limited proficiency in English. In New Jersey, the following counties are covered under this law: Bergen (Spanish, Korean), Camden (Spanish), Cumberland (Spanish), Essex (Spanish), Hudson (Spanish), Middlesex (Spanish, Gujarati, Hindi, Punjab), Passaic (Spanish), and Union (Spanish).¹⁶⁸

79. LANGUAGE ACCESS: I am not an English speaker. What language resources are available? Can I bring someone in the booth to help me understand the ballot?

For language access issues, see [Question 78](#).

80. CURBSIDE VOTING: Is curbside voting available? How do I request it?

New Jersey does not use curbside voting.

81. VOTER GUIDE: Can I bring a voting guide or reference notes with me into the voting booth?

Yes, voters may bring written material into the polling place for the voter's personal use in casting a vote.¹⁶⁹

STATE SPECIFIC SUPPLEMENT

82. MAIL-IN BALLOT NOT IN TRACKER: When I track the vote-by-mail ballot I returned, the ballot-tracking site says N/A. What does this mean? What should I do? Should I go to the polls to vote in person?

¹⁶⁹ N.J. Stat. Ann. § 19:12-7.1(a).

When the ballot tracker says “N/A” for your ballot, that means the county board of elections has not received it.¹⁷⁰

There may be a delay in ballot status updates in the tracking system. Voters can call their [county board of elections](#) to see if a county election official can provide an update on the status of their ballot. If the voter mailed back a completed vote-by-mail ballot, voting in person carries the risk that both votes will be invalidated on the ground that the voter voted twice. Double-voting is a crime.¹⁷¹ A voter who chooses to try voting in person after sending in a completed but apparently missing vote-by-mail ballot should inform the poll workers of the situation before voting and follow their advice.

83. **VOTERS WITH “INACTIVE” STATUS:** My status on the voter registration lookup is “inactive”? What does this mean? What should I do? Can I still vote?

An inactive voter is one whose address has come into question. This usually happens when the post office returns a sample ballot as undeliverable or indicates that the voter has moved. Election officials will then send the voter a confirmation notice informing them that they have until the second federal general election after the date of the notice to update their voting record or appear to vote and complete the necessary form or they will be removed from the voting rolls.¹⁷² Until they are removed from the voting rolls, an “inactive” voter can still vote.¹⁷³ If the voter completes a form at the polls to update or confirm their registration, the voter will be restored to active status.

Inactive voters do not get sample ballots and cannot receive a vote-by-mail ballot until they reactivate their status by updating their registration. To update their registration, voters can use [online voter registration](#) or a [paper registration form](#).¹⁷⁴

84. **VOTERS WITH NO FIXED HOME ADDRESS:** Can a voter who is unhoused vote in New Jersey?

In 1991, the New Jersey Attorney General issued a formal opinion requiring election officials to register people who have no fixed home address so long as they meet the state constitutional requirements to vote. See [Question 1](#). The opinion instructs that “homeless individuals can be registered, so long as they provide one or more contact points by which their continued presence in the county can be verified and where they can be sent sample ballots.”¹⁷⁵ Such points of contact may include shelters, places of worship, and other locations where the person may reside from time to time. The Opinion instructs election officials to tailor specific statutory requirements for registration on a case-by-case basis to avoid disenfranchising people without homes.¹⁷⁶

Previously, 19/21 counties in NJ used a ballot design called the “county line.” Per a recent lawsuit and federal court decisions from the Third Circuit and the District Court of New Jersey, Democratic ballots in all counties in NJ must use the “office block” ballot, which lists candidates with the office they are running for, not in a line format.¹⁷⁷

Counties have discretion in how to implement the “office block” requirement and are now in the process of designing ballots to comply with the decision. Because the obligation to create compliant ballots rests with the counties, ballots may look different from one county to another.
