

Date	State	Hot Topic	Escalate?
10/27	ALL	Reports of ICE or other Federal Agents at the Polls: Review procedures and questions to ask in this updated guidance (also includes guidance for DOJ monitors). <i>Alert your captain immediately about these calls, while the voter is on the line.</i> Escalate first hand reports.	Likely
10/26	ALL	Ballots Marked Return to Sender: Escalate tickets and flag for staff any ballots mailed by the voter and received back marked Return to Sender. Try to get a photo of the envelope and details on when it was mailed, and voter’s consent to share information with their local election authority (document in the ticket).	Yes
10/24	All, FL, TX, VA	Arrest/Conviction/Rights Restoration Calls: See updated procedures . Carefully note FL, TX, and VA exceptions.	Maybe
10/24	Many	Registration Deadlines Always check both FAQ 6&7, (11 if applicable) when giving registration deadline information. There may be different deadlines for different scenarios. Check for same day or early vote registration options. Virginia still has Same Day Registration.	
10/23	ALL	Returning Ballots/Applications by Mail: Application and ballot return deadlines are upcoming. Review updated guidance on returning election materials by mail. 10/24 is the last day we recommend returning by mail.	
10/22	ALL	Voters concerned about machines not registering selections: Tell voters to double-check their paper ballot and alert a poll worker before casting their ballot if any selection looks wrong. Voters should try pressing the candidate’s name instead of the checkbox (or ask for a stylus. Assure the voter that 98% of votes have paper trail and they should alert a poll worker immediately if concerned. See Election Equipment section of Other Resources for more.	
10/16	ALL	Pollworkers Marking Ballots: Due to false social media messaging, some voters have become concerned that a pollworker writing on their ballot may invalidate it. Reassure them some jurisdictions require poll workers to mark ballots and election officials say that ballots will not be disqualified because of this. More here	
10/6	MANY	Overseas Voter Form Changes: FCPA and FWAB forms used by voters voting while out of the country have been changed without the law changing. Voters can still use older versions of the forms. See guidance	
9/29	ALL	Ready to Register, Other 3rd Party Registrations: See updated guidance on 3rd party registration drives, including specific info on Ready to Register issues seen in GA, NC and OH.
